In his latest book, Calder walks the reader through the repair, maintenance, and setting up of the boat's primary systems, including the electrical system, electronics equipment, generator sets, solar panels, wind and water generators, the engine, transmission, pumps, steering, waste disposal systems, and more. Destined to become a highly trusted companion aboard all types of boats for years to come.

For a woman considering the cruising lifestyle, the questions are endless. What is cruising really like? Can I do it? Will I like it? will it be horrible, or wonderful? Longtime sailor and circumnavigator Diana Jessie provides advice to women contemplating short-term cruising or long-term voyaging. She gives unique insights into a plethora of women's concerns, including: Why We Go . . . Cruising
