Diesel engine swap? - Toyota 4Runner Forum - Largest ...

i know that some companies make 350 swap kits for tacomas (which is the same as a 4runner), but i dont know the price but i'm sure a google search could help find that. but in my opinion i wouldnt put anything but a toyota motor into a 4runner. people have done v8's from 1st gen tundra's and v8's out of a Lexus ls400 or an sc400(1uzfe is the engine). either swap would be pretty expensive and ...

Engine swap? | Toyota 4Runner Forum [4Runners.com]

The third gen 4Runner is becoming one of the best platforms to do a solid axle swap on and to build an awesome trail rig. It's a perfect size vehicle to build upon and has been super reliable with it's engine and transmission choices. It is one of my favorites vehicles around. This one came to us with a ton of changes already.

Popular Science gives our readers the information and tools to improve their technology and their world. The core belief that Popular Science and our readers share: The future is going to be better, and science and technology are the driving forces that will help make it better.

The first, and only, inside story of one of the greatest bands in rock history—Dire Straits—as told by founder member and bassist John Illsley One of the most successful music acts of all time, Dire Straits filled stadiums around the world. Their album sold hundreds of millions of copies and their music—classics like “Sultans of Swing,” “Romeo and Juliet,” “Money for Nothing,” and “Brothers in Arms”—is still played on every continent today. There was, quite simply, no bigger band on the planet throughout the eighties. In this powerful and entertaining memoir, founding member John Illsley gives the inside track on the most successful rock band of their time. From playing gigs in the spit-and-sawdust pubs of south London, to hanging out with Bob Dylan in LA, Illsley tells the story of the band with searching honesty, soulful reflection, and wry humor. Starting with his own unlikely beginnings in Middle England, he recounts the band’s rise from humble origins to the best-known venues in the world, the working man’s clubs to Madison Square Garden, sharing gigs with wild punk bands to rocking the Live Aid stage at Wembley. And woven throughout is an intimate portrait and tribute to his great friend Mark Knopfler, the band's lead singer, songwriter, and remarkable guitarist. Tracing an idea that created a phenomenal musical legacy, an extraordinary journey of joy and pain, companionship and surprises, this is John Illsley’s life in Dire Straits.

Frame: The Great Indoors is a bi-monthly international trade journal devoted to the design of interiors and products. Frame offers a stunning selection of interior designs created for shops, offices, exhibitions, residences, and hospitality venues. The magazine has the look, feel, and heft of a book. Frame packs the most interesting work from around the globe into six tactile issues a year. Visually focused, the magazine offers well-written articles illustrated with many photos, drawings, and sketches. A great deal of energy goes into finding, analyzing, and presenting the story behind each design published--and into communicating the message in everyday, easy-to-understand English. Loaded with only the best in contemporary design, Frame is an indispensable reference for professional interior designers, as well as for those involved in other creative pursuits. What readers find in each issue of Frame: Visions: From the Drawing Board Interior designs for the future, including projects that may or may not be realized Stills: Portfolio of Places Concise reports on newly completed interiors worldwide, from Tokyo hair salons to the latest bars in London and New York. Features: Projects in Perspective In-depth articles on recently created interiors and their designers. Goods: Material Matters A section completely dedicated to the latest in product design, from furniture and lamps to display systems and cutting-edge fabrics.

ROAR!!! Meet Bash the Lion - a playful Lion who loves to learn. Your toddler will enjoy going on learning hunts with Bash as they explore their first numbers. All Bash the Lion My First books are wonderfully put together along with activities that will help your child expand their recognition of items, as well as their vocabulary and pronunciation. Unlike typical picture books (that only display pictures with the names of the objects), Bash the Lion My First books include the 7 different learning concepts (visual, kinesthetic/physical, aural/auditory, social, solitary, verbal and logical) to foster a curiosity in your toddler that will plant the seeds for further reading and learning. We are self-publishers, literally a
