Hormone Repair Manual is a practical guide to feeling better in your 40s, 50s, and beyond. It explains how to navigate the change of perimenopause and relieve symptoms with natural treatments such as diet, nutritional supplements, and bioidentical hormone therapy. Topics include: Why everything is different after "second puberty." How perimenopause can be a tipping point for long-term health. The four phases of perimenopause. The role of testosterone and insulin in weight gain. How to speak with your doctor about hormone therapy including natural progesterone. Treatment protocols for all common perimenopause symptoms including night sweats, insomnia, migraines, and heavy periods. Risk reduction for osteoporosis, heart disease, and dementia. Written by best-selling author and naturopathic doctor, Lara Briden, the book is backed by evidence-based research and real-world patient stories.

This ultimate guide to installing the LSX in your GM muscle car details all the necessary steps from concept to completion, including fabrication and installation of motor mounts, wiring, fuel system, and driveline considerations.
