The spirit that animates—or at least haunts—Deborah Baker's excellent account of the Beats in India, *A Blue Hand*, is not the spirit of its main protagonist, the troubled, sweet-natured poet-mystic Allen Ginsberg, but rather an elusive seeker, chanter of Swinburne and one-time girlfriend of poet Gregory Corso, Hope Savage.

~~A Blue Hand: The Beats in India by Deborah Baker~~

A Blue Hand is something of a minor miracle: it somehow manages to cover the history of the main characters in roughly 100 pages- before we get to India. The writing is musical and flawless and the book serves as perfect introductory, background text to the work of the BEATS. It is, in many ways, a perfect course in 200 pages.

Deborah Baker's A Blue Hand provides one answer: an account of the fifteen months that Beat-in-Chief Allen Ginsberg spent in India in 1961-62. This is not an untold story, exactly; for one, it was told by Ginsberg himself in a manically detailed yet sprawling jumble of writings — breathlessly lyrical and visceral records from his journal of what he saw and felt as he sought from the East answers that the West would or could not provide him.

In A Blue Hand: The Beats in India (Penguin), Deborah Baker adds to these earlier accounts with details gleaned from papers and unpublished letters held in scholarly libraries in North America. In addition to Ginsberg, Snyder and Kyger, we hear from Peter Orlovsky and Gregory Corso, and from members of India's own literary scene during the 1960s and 1970s, young writers who met and were influenced by these wandering American poets.
