Few other books in our time have touched so many readers. “Cisneros draws on her rich [Latino] heritage ... and seduces with precise, spare prose, creat[ing] unforgettable characters we want to lift off the page. memoir "gives readers the privilege of knowing her not just as Emily Doe, but as Chanel Miller the writer, the artist, the survivor, the fighter." (The Wrap). "I opened Know My Name with the intention to bear witness to the story of a survivor. Instead, I found myself falling into the hands of one of the great writers and thinkers of our time. Chanel Miller is a philosopher, a cultural critic, a deep observer, a writer's writer, a true artist. I could not put this phenomenal book down." --Glennon Doyle, #1 New York Times bestselling author of Love Warrior and Untamed "Know My Name is a gut-punch, and in the end, somehow, also blessedly hopeful." --Washington Post She was known to the world as Emily Doe when she stunned millions with a letter. Brock Turner had been sentenced to just six months in county jail after he was found sexually assaulting her on Stanford's campus. Her victim impact statement was posted on BuzzFeed, where it instantly went viral--viewed by eleven million people within four days, it was translated globally and read on the floor of Congress; it inspired changes in California law and the recall of the judge in the case. Thousands wrote to say that she had given them the courage to share their own experiences of assault for the first time. Now she reclaims her identity to tell her story of trauma, transcendence, and the power of words. It was the perfect case, in many ways--there were eyewitnesses, Turner ran away, physical evidence was immediately secured. But her struggles with isolation and shame during the aftermath and the trial reveal the oppression victims face in even the best-case scenarios. Her story illuminates a culture biased to protect perpetrators, indicts a criminal justice system designed to fail the most vulnerable, and, ultimately, shines with the courage required to move through suffering and live a full and beautiful life. Know My Name will forever transform the way we think about sexual assault, challenging our beliefs about what is acceptable and speaking truth to

The “ riveting ” \* true story of the fiery summer of 1970, which would forever transform the town of Oxford, North Carolina—a classic portrait of the fight for civil rights in the tradition of *To Kill a Mockingbird* \*Chicago Tribune On May 11, 1970, Henry Marrow, a twenty-three-year-old black veteran, walked into a crossroads store owned by Robert Teel and came out running. Teel and two of his sons chased and beat Marrow, then killed him in public as he pleaded for his life. Like many small Southern towns, Oxford had barely been touched by the civil rights movement. But in the wake of the killing, young African Americans took to the streets. While lawyers battled in the courthouse, the Klan raged in the shadows and black Vietnam veterans torched the town ’ s tobacco warehouses. Tyson ’ s father, the pastor of Oxford ’ s all-white Methodist church, urged the town to come to terms with its bloody racial history. In the end, however, the Tyson family was forced to move away. Tim Tyson ’ s gripping narrative brings gritty blues truth and soaring gospel vision to a shocking episode of our history. FINALIST FOR THE NATIONAL BOOK CRITICS CIRCLE AWARD “ If you want to read only one book to understand the uniquely American struggle for racial equality and the swirls of emotion around it, this is it. ” —Milwaukee Journal Sentinel “ *Blood Done Sign My Name* is a most important book and one of the most powerful meditations on race in America

In Betty Reid Soskin ’ s 96 years of living, she has been a witness to a grand sweep of American history. When she was born in 1921, the lynching of African-Americans was a national epidemic, blackface minstrel shows were the most popular American form of entertainment, white women had only just won the right to vote, and most African-Americans in the Deep South could not vote at all. From her great-grandmother, who had been enslaved until her mid-20s, Betty heard stories of slavery and the times of terror and struggle for black folk that followed. In her lifetime, Betty has watched the nation begin to confront its race and gender biases when forced to come together in the World War II era; seen our differences nearly break us apart again in the upheavals of the civil rights and Black Power eras; and, finally, lived long enough to witness both the election of an African-American president and the re-emergence of a militant, racist far right. The child of proud Louisiana Creole parents who refused to bow down to Southern discrimination, Betty was raised in the Bay Area black community before the great westward migration of World War II. After working in the civilian home front effort in the war years, she and her husband, Mel Reid, helped break down racial boundaries by moving into a previously all-white community east of the Oakland hills, where they raised four children while resisting the prejudices against the family that many of her neighbors held. With Mel, she opened up one of the first Bay Area record stores in Berkeley

both owned by African-Americans and dedicated to the distribution of African-American music. Her volunteer work in rehabilitating the community where the record shop began eventually led her to a paid position as a state legislative aide, helping to plan the innovative Rosie the Riveter/WWII Home Front National Historical Park in Richmond, California, then to a “ second ” career as the oldest park ranger in the history of the National Park Service. In between, she used her talents as a singer and songwriter to interpret and chronicle the great American social upheavals that marked the 1960s. In 2003, Betty displayed a new talent when she created the popular blog CBreaux Speaks, sharing the sometimes fierce, sometimes gently persuasive, but always brightly honest story of her long journey through an American and African-American life. Blending together selections from many of Betty ’ s hundreds of blog entries with interviews, letters, and speeches, Sign My Name to Freedom invites you along on that journey, through the words and thoughts of a national treasure who has never stopped looking at herself, the nation, or the world with fresh eyes.

Possess the Land: The Believer's Guide to Home Buying parallels the journey that the Children of Israel took with the journey of home buying. This step by step guide will teach you how to apply biblical principles to conquer the giants that have inhabited your promised land, increase your credit scores, decrease debt, and grow your savings account so that you can walk in the authority of God and receive the property that He has promised you.

So many of us desire freedom - the freedom that is promised to us when we decide to follow Jesus. The freedom from the burden of our sin, the need to be "good enough," anger, jealousy, and envy. Even though we are believers we would be ashamed to say that we don't always experience peace, contentment, and joy in our life. We are looking for the grace that God has so graciously given to us to be real in our life... Breaking Pride is an eBook based on one simple truth: In order to walk in God's grace we need to tear down the the walls of pride. A lot of believers, even though saved by God's grace, are still walking in pride rather than walking in His grace. Knowing what pride is and learning to identify pride in your life is the first step to overcoming a life filled with pride. Pride is rooted in fear and leads to anger, jealousy, and envy. Sin isn't keeping us from having a relationship with the Lord, it's our pride. So many of us long to have an authentic and REAL relationship with the Lord, and we long to have the fruit of the spirit filled in our heart. Our desire is to achieve these fruits through will power. But we do not even realize that the pride that lives within our heart is what is blocking the fruit of the spirit from living within us. In Breaking Pride you will learn to identify different areas of pride in your life. Filled with encouragement, Breaking Pride will take you through a practical reading of what pride may look like in your life... Let's stop building walls of pride

Mirha is so excited for her first day of school! She can't wait to learn, play, and make new friends. But when her classmates mispronounce her name, she goes home wondering if she should find a new one. Maybe then she'd be able to find a monogrammed keychain at the gas station or order a hot chocolate at the cafe more easily. Mama helps Mirha to see how special her name is, and she returns to school the next day determined to help her classmates say it correctly--even if it takes a hundred tries.
