Following the brutal rape of his ten-year-old daughter, Carl Lee Haily, a black man living in a small Mississippi town, kills the two white men accused of the crime

#1 NEW YORK TIMES BESTSELLER □ Jake Brigance is back! The hero of *A Time to Kill*, one of the most popular novels of our time, returns in a courtroom drama that *The New York Times* says is "riveting" and "suspenseful." Clanton, Mississippi, 1990. Jake Brigance finds himself embroiled in a deeply divisive trial when the court appoints him attorney for Drew Gamble, a timid sixteen-year-old boy accused of murdering a local deputy. Many in Clanton want a swift trial and the death penalty, but Brigance digs in and discovers that there is more to the story than meets the eye. Jake's fierce commitment to saving Drew from the gas chamber puts his career, his financial security, and the safety of his family on the line. In what may be the most personal and accomplished legal thriller of John Grisham's storied career, we deepen our acquaintance with the iconic Southern town of Clanton and the vivid cast of characters that so many readers know and cherish. The result is a richly rewarding novel that is both timely and timeless, full of wit, drama, and—most of all—heart. Bursting with all the courthouse scheming, small-town intrigue, and stunning plot twists that have become the hallmarks of the master of the legal thriller, *A Time for Mercy* is John Grisham's most powerful courtroom drama yet. There is a time to kill and a time for justice. Now comes *A Time for Mercy*.

When a wealthy man hangs himself and leaves his fortune to his black maid, Jake Brigance finds himself embroiled in a controversial trial that will expose old racial tensions and force Ford County to confront its tortured history.

A Time to kill: "There are crimes of race and creed and colour. And so when the people outside of Clanton hear that a black man has killed two whites who raped his ten-year-old daughter, the town is filled with an angry mob determined to tear down, burn and destroy anything and everyone that opposes them."

"Looking ahead into the dark, my compass, depth gauge and diving watch confirmed that we were headed towards our target in enemy waters. The mission was clear: to eliminate ships at anchor, ships that were planned to carry out an attack against civilians in Israel. Onboard them were Zodiac rubber boats, AK-47 Kalashnikov assault rifles, RPG anti-tank rockets and plenty of ammunition. The Palestinian terrorists who had been trained for their deadly mission were set to execute their

attack two nights later. This was a race against time. After a stealth approach into the harbor, I identified my target and attached the explosives. For a moment, my memories took me back in time. I was hiding in a bush, an 11-year-old boy, during a terrorist attack, escaping sure death. Activating the time-controlled detonators, I felt the closure of another circle of destiny. An attack against my home, was thwarted. Yotam Dagan, an Israeli navy SEAL, shares his personal journey from being a soldier and fighting wars to healing the invisible wounds of psychological trauma and PTSD. This book is an important account of how human courage and determination, followed by suffering and vulnerability could leverage growth on an individual, community and national level."
