About Grace, is about a hydrologist named David Winkler who occasionally dreams events that later come true. The book asks questions about snowflakes, predetermination, the nature of family, and the intersections of the human and natural worlds. The novel takes place in Alaska, the Caribbean, Ohio, and plenty of places in between.

~~About Grace | Anthony Doerr~~

About Grace is the first novel from Boise, Idaho based author, Anthony Doerr. He previously published a collection of short stories, *The Shell Collector*, which were both moving and gorgeous. One of the qualities of the stories contained in *The Shell Collector*, i.e., each story's deep connection to the natural world in which it takes place, actually becomes one of the chief weaknesses in *About Grace*.
