After Many a Summer Dies the Swan Summary - eNotes.com

? Aldous Huxley, quote from After Many a Summer Dies the Swan "Pleasure cannot be shared; like Pain, it can only be experienced or inflicted, and when we give Pleasure to our Lovers or bestow Charity upon the Needy, we do so, not to gratify the object of our Benevolence, but only ourselves. "After Many a Summer" is a tale of two older people.

after many a summer dies the swan meaning

Download Ebook After Many A Summer Dies The Swan Aldous Huxley

After Many a Summer is Huxley's great story of LA and California. Its images from the thirties have inspired other great writers, Evelyn Waugh with *The Loved One* among them. Huxley's bitter-sweet philosophy reads as fresh today as when he wrote it during the Spanish Civil War. Don't fail to read this.

Amazon.com: After Many a Summer Dies the Swan ...

And after many a summer dies the swan. Me only cruel immortality Consumes: I wither slowly in thine arms, Here at the quiet limit of the world, A white-haired shadow roaming like a dream The ever-silent spaces of the East, Far-folded mists, and gleaming halls of morn. Alas! for this gray shadow, once a man - So glorious in his beauty and thy choice,

After Many a Summer Dies the Swan Quotes Showing 1-21 of 21 "But then every man is ludicrous if you look at him from outside, without taking into account what's going on in his heart and mind." ? Aldous Huxley, After Many a Summer Dies the Swan tags: humanity, understanding

After Many a Summer Dies the Swan Quotes by Aldous Huxley

"After Many a Summer" is a rambling affair, more philosophical exercise than narrative, but beautifully written and rewarding for the reader who sticks with it past the first few chapters. The book, a rumination on greed and a statement against the suppurating wound that is Hollywood, concerns a moronic, self-loathing mogul hidden away in his Xanadu-like castle who nevertheless fears death and wants to live forever.

A Hollywood millionaire with a terror of death, whose personal physician happens to be working on a theory of longevity--these are the elements of Huxley's caustic and entertaining satire on man's desire to live indefinitely. A highly sensational plot that will keep astonishing you to practically the final sentence. --The New Yorker

Download Ebook After Many A Summer Dies The Swan Aldous Huxley

A Hollywood millionaire with a terror of death, whose personal physician happens to be working on a theory of longevity—these are the elements of Aldous Huxley's caustic and entertaining satire on man's desire to live indefinitely. With his customary wit and intellectual sophistication, Huxley pursues his characters in their quest for the eternal, finishing on a note of horror. "This is Mr. Huxley's Hollywood novel, and you might expect it to be fantastic, extravagant, crazy and preposterous. It is all that, and heaven and hell too....It is the kind of novel that he is particularly the master of, where the most extraordinary and fortuitous events are followed by contemplative little essays on the meaning of life....The story is outrageously good."—New York Times. "A highly sensational plot that will keep astonishing you to practically the final sentence."—The New Yorker. "Mr. Huxley's elegant mockery, his cruel aptness of phrase, the revelations and the ingenious surprises he springs on the reader are those of a master craftsman; Mr. Huxley is at the top of his form." —London Times Literary Supplement.

"By the mid-1950s, New York had been the unrivaled capital of America's national pastime for a century, a place where baseball was followed with a truly fanatical fever. The city's three teams--the New York Yankees, the New York Giants, and the Brooklyn Dodgers--had over the previous decade rewarded their fans' devotion with stellar performances: From 1947-1957, one or more of these teams had played in the World series every year but one. Yet on opening day 1958, the Giants and Dogers were gone. Their owners, Walter O'Malley and Horance Stoneham, had ripped them away from their longtime home and from the hearts of millions of devoted and passionate fans and taken them to California" -- inside cover.
