“Utterly sublime . . . Aduatells a gripping story of war, migration and family, exposing us to the pain and hope that reside in each encounter” (Maaza Mengiste, author of The Shadow King). Adua, an immigrant from Somalia, has lived in Italy nearly forty years. She came seeking freedom from a strict father and an oppressive regime, but her dreams of becoming a film star ended in shame. A searing novel about a young immigrant woman’s dream of finding freedom in Rome and the bittersweet legacies of her African past. “Lovely prose and memorable characters make this novel a thought-provoking and moving consideration of the wreckage of European oppression.” –Publishers Weekly (starred review) “Igiaba Scego is an original voice who connects Italy’s present with its colonial past. Adua is an important novel that obliges the country to confront both memory and truth.” –Amara Lakhous, author of Dispute over a Very Italian Piglet “This book depicts the soul and the body of a daughter and a father, illuminating words that are used every day and swiftly emptied of meaning: migrants, diaspora, refugees, separation, hope, humiliation, death.” –Panorama “A memorable, affecting tale . . . Brings the decolonialization of Africa to life . . . All the more affecting for being told without sentimentality or self-pity.” –ForeWord Reviews “Deeply and thoroughly researched . . . Also a captivating read: the novel is sweeping in its geographical and temporal scope, yet Scego nonetheless renders her complex protagonists richly and lovingly.” –Africa Is a Country

This year's fifth graders are the worst Principal Klein has ever seen. But he's hoping that Spirit Week can teach them teamwork, with a top secret prize for the winning team as incentive. Best friends George and Lilly have been looking forward to Spirit Week all year. They might be complete opposites, but they can't wait to be on the winning team together. When their classes end up rivals, with Lilly leading Team Red and George leading Team Blue, the friends swear they can compete and remain best friends. But suddenly there are slimed lockers, sabotaged costumes, and class pets held hostage. As the mischief escalates, it threatens everything, including the prize. Because if Principal Klein finds out, Spirit Week will be canceled and the students will spend the rest of the year in detention. Can George and Lilly find a way to fix their friendship and get the entire fifth grade to play fair, or is the most awesome week of fifth grade about to make this the worst school year ever?

An anthology containing the essence of Welsh humour in all its wildness and eccentricity. A collection of acerbic putdowns, daft definitions, controversial insights, gaffes, prejudices, hoary old gags and some quirky philosophical reflections. Quotes from the usual suspects are here, such as Dylan Thomas and Richard Burton, and some contemporary ones from people who cut to the chase.

This book explores the social participation, identification and transnational practices of Somalis living in Finland and the United States. Through a multifaceted collection of chapters which are based on data ranging from legislation and policy documents to welfare indicators and interviews, this book explores how Somali migrants experience and explore their identities and belongings, and how they strive for participation as (diaspora) citizens of their sending and receiving societies. The case studies are conducted in two countries that differ greatly in terms of their social system, migration history and integration policies and as such they provide an opportunity to explore how different social, political and legal orders influence the life-courses and wellbeing of migrant populations. Furthermore, the book highlights how the fate of the Somalis as a global diaspora is routinely intertwined with the changes in the global political climate and the state-level political processes reflecting it. This book will be of great interest to researchers, students and lecturers of migration and diaspora, as well as individuals working with (Somali) migrants.
