How to perform: Example Announce that you can predict the answer to a 3-digit division problem using any digit the audience chooses. Write your prediction on a piece of paper, seal it in

Mathemagic Teacher's Guide Final

Finally, why should you choose Mathemagic? There are two essential reasons. It follows the Mathematics Curriculum with great clarity and allows the child to view maths as a challenge as opposed to a problem. Teachers are relieved from planning, thereby allowing them to concentrate on what is important – teaching.
