Business Benchmark Second edition is the official Cambridge English preparation course for Cambridge English: Business Preliminary, Vantage and Higher (also known as BEC), and BULATS. This Teacher's Resource Book includes a wide range of supplementary photocopiable material with answers, including complete extra lessons and case studies. It provides information about how the activities in each unit relate to the Business Preliminary exam and BULATS test. There are notes on each unit with advice and suggestions for alternative treatments and information about how this course corresponds to the CEF, with a checklist of 'can do' statements. A complete answer key to both the Business Preliminary and BULATS versions of the Student's Book is provided as well as complete transcripts of the listening material with answers underlined.

This is a course for upper-intermediate and advanced level students who need to understand and talk about the key concepts in business and economics. Covering the most important areas of management, production, marketing, finance and macroeconomics, it helps students to understand and talk about a wide range of business topics. Reflecting recent changes in the world's business and economic environment, the course now covers subjects like wikinomics, viral marketing, hedge funds, the subprime crisis and energy policy. This student book comes with a teacher's book and two CDs. Suitable for independent study.

Business Benchmark Second edition is the official Cambridge English preparation course for Cambridge English: Business Preliminary, Vantage and Higher (also known as BEC), and BULATS. A pacy, topic-based course with comprehensive coverage of language and skills for business, it motivates and engages both professionals and students preparing for working life. The Business Preliminary Student's Book contains authentic listening and reading materials, including interviews with business people, providing models for up-to-date business language. Grammar and vocabulary exercises train students to avoid common mistakes, identified using Cambridge's unique collection of real exam candidates' answers. 'Grammar workshops' practise grammar in relevant business contexts. A BULATS version of this Student's Book is also available.

A research bulletin examining the Japanese automotive industry's impact worldwide.

Business Result Second Edition offers business professionals more communication and language practice than ever before, helping students develop relevant communication skills they can use immediately in the workplace.

Presents a multi-disciplinary approach to researching subsidiary dynamics and its effective management, with a focus on the role of the headquarters within the context of subsidiaries as members of a differentiated, interdependent network, and the development of subsidiary capabilities and their impact on firm performance.
