Clearing the CRM Certification will not automatically lead you to a job. However a Certification with some project experience will certainly open a lot of doors for you. The consultants who will benefit the most from a certification are the ones with typically less than 2 year's project experience. This is not to say that consultants with higher experience will not benefit, but at that level, having a certification matters much less. So if you have little or no CRM experience, you should get yourself certified, get some project experience, and then the whole of the SAP World open for you to explore. Helping you with the first step on your ladder to success is this book. Some unique features of this book:- There is NO Other book in the market for the CRM 7.0 Certification exam.- The author has himself cleared the exam.- All questions are multiple choice format, similar the questions you will get in the actual exam.
