This guide covers just the visual voice functions that you can use from the phone's menus. For the full range of mailbox controls that you may be able to use, contact your system administrator for the mailbox user guide appropriate to the type of voicemail server and mailbox mode that your system uses. Default Short Codes

~~Voicemail—Avaya~~

The 6408-D (the "D" stands for digital) is a reliable, well built, user friendly, workhorse and is a great phone for any office using a digital voice/data system only. It is not a suitable phone for home use or even many small offices that typically have only a few telephone lines and will not work there.
