Bare Bones on Apple Books

Feisty forensic anthropologist Temperance (Tempe) Brennan is supposed to be on vacation, but body parts keep turning up. At the start of her sixth adventure, she's awaiting the arrival of her current flame, Quebecois sleuth Andrew Ryan, so she can head for the beach near her hometown of Charlotte, N.C.

Her plans for a romantic vacation interrupted by the discoveries of two murdered bodies and a small plane crash, Tempe Brennan traces leads to an isolated North Carolina farm.

_____ A gripping Temperance Brennan novel from world-class forensic anthropologist Kathy Reichs, the international no. 1 bestselling crime thriller writer and the inspiration behind the hit TV series Bones. During one of the hottest summers on record, Dr Temperance Brennan is haunted by a string of horrifying events. First, the bones of a newborn baby are discovered in a wood stove. The mother is nowhere to be found. Next, a plane flies into a rock face. The dead pilot and passenger are burned beyond recognition, and covered in an unknown substance. And then a store of bones is found in a remote corner of the county. What has happened, and who will be the next victim? The answers lie hidden deep within the bones - but Tempe must find them in time to stop further disaster.

_____ Dr Kathy Reichs is a professional forensic anthropologist. She has worked for decades with chief medical examiners, the FBI, and even a United Nations Tribunal on Genocide. However, she is best known for her internationally bestselling Temperance Brennan novels, which draw on her remarkable experience to create the most vividly authentic, true-to-life crime thrillers on the market and which are the inspiration for the hit TV series Bones.

_____ Many of the world's greatest thriller writers are huge fans of her work: 'Kathy Reichs writes smart - no, make that brilliant - mysteries that are as realistic as nonfiction and as fast-paced as the best thrillers about Jack Reacher, or Alex Cross.' JAMES PATTERSON 'One of my favourite writers.' KARIN SLAUGHTER 'I love Kathy Reichs? - always scary, always suspenseful, and I always learn something.' LEE CHILD 'Nobody does forensics thrillers like Kathy Reichs. She's the real deal.' DAVID BALDACCI 'Each book in Kathy Reichs's fantastic Temperance Brennan series is better than the last. They're filled with riveting twists and turns - and no matter how many books she writes, I just can't get enough!' LISA SCOTTLINE 'Nobody writes a more imaginative thriller than Kathy Reichs.' CLIVE CUSSLER

Forensic anthropologist Temperance Brennan returns in a chilling eBook original novella from #1 New York Times bestselling author Kathy Reichs. In the prequel to Reichs's upcoming thriller Bones Never Lie, Tempe takes a much-needed vacation-but murder follows wherever she goes. Although a trip to Florida is supposed to be about rest and relaxation, there's no such thing as a day off for Dr. Temperance Brennan. She has come to visit her friend, a dedicated ornithologist who's researching the threat that intrusive Burmese pythons pose to indigenous bird species in the Everglades. While sorting through the stomach of an eighteen-foot specimen, they make a disturbing discovery: bones that are unmistakably human. And when Tempe spots the telltale signs of murder by a very different kind of predator, she's drawn into a case

with its roots in the darkest depths of the swamp. Features a preview of the highly anticipated new Temperance Brennan novel, *Bones Never Lie!* Praise for the novels of Kathy Reichs "[Reichs is] a genius at building suspense."—New York Daily News "Reichs, a forensic anthropologist, makes her crime novels intriguingly realistic."—Entertainment Weekly "Tempe Brennan is the lab lady most likely to dethrone Patricia Cornwell's Kay Scarpetta."—USA Today "Every minute in the morgue with Tempe is golden."—The New York Times Book Review "Reichs always delivers a pulse-pounding story."—Publishers Weekly

One recent skeleton among ancient bones raises questions—and danger—for forensic anthropologist Temperance Brennan in this newly repackaged thriller from New York Times bestselling author Kathy Reichs. Tempe Brennan is stuck teaching an archaeology field school for students at UNCC in Charleston, South Carolina. When she stumbles upon a recent skeleton among the ancient bones, she starts asking questions. She's the expert they might have called in, but lucky for the local police she's already there. The skeleton leads her to a free street clinic where patients have begun to go missing, and some have wound up dead. What is going on and who is to blame? The charismatic televangelist who oversees the clinic? The shady doctor who practices there? Or is it the clinic staff? Ryan is in Montreal, though he may come down for a visit. If he does, Tempe will have to juggle him and Detective Galiano, an old flame, who is in town investigating the disappearance of wealthy young woman. This is a phenomenally high stakes business where one dead body can save a couple of lives, maybe more. Along with the corpses, Tempe investigates the sick moral logic of the mastermind behind the operation. Kathy Reichs has returned Tempe to America and put her in the middle of a sinister trafficking ring that's local and global. The suspense is intense, and the world is riveting. Kathy Reichs's books are expert, smart, with a taut energy, and this is her best plot and best writing ever.

In this updated and repackaged eighth book in Kathy Reichs's internationally bestselling *Bones* series, Temperance Brennan's investigation of a Native American burial ground on an island near Charleston leads to a fresh trail of bodies. Among the ancient remains in a Native American burial ground, Tempe discovers a fresh skeleton—and what began as an ordinary teaching stint at an archeology field school in Charleston, South Carolina, fast becomes a heated investigation into an alarming pattern of homicides. The clues hidden in the bones lead to a street clinic where a monstrous discovery awaits, and Tempe—whose personal life is in upheaval, with two men competing for her—can't afford any distractions as she pieces together a shattering and terrifying puzzle.

Featuring a preview of the highly anticipated new thriller *Speaking in Bones*, this eBook original novella showcases #1 New York Times bestselling author Kathy Reichs at the peak of her powers. In *Bones on Ice*, forensic anthropologist Temperance Brennan gets wrapped up in the ultimate cold case: a death on Mount Everest. It is called the "death zone": the point on Everest, nearly five miles high, above which a climber cannot be rescued. More than 250 souls have lost their lives there. Most of the bodies remain, abandoned, frozen in place. When an earthquake leads to a miraculous recovery, Dr. Temperance Brennan is hired to identify the frozen mummified human corpse. The victim is the daughter of a wealthy Charlotte couple who never got the chance to say goodbye. But far from offering solace and closure, Tempe's findings only provoke more questions. What happened on Mount Everest? Was the young woman's death an accident? Why aren't the other climbers talking? And how far will those hiding the truth go to make sure the past stays buried? Praise for Kathy Reichs and the Temperance Brennan series "A genius at building suspense."—New York Daily News "Kathy Reichs writes smart—no, make that brilliant—mysteries that are as realistic as nonfiction and as fast-paced as the best thrillers about Jack Reacher, or Alex Cross."—James Patterson "Reichs, a forensic anthropologist, makes her crime novels intriguingly realistic."—Entertainment Weekly "One of the most distinctive and talented writers in the genre."—Sandra Brown "Every minute in the morgue with Tempe is golden."—The New York Times Book Review "Each book in Kathy Reichs's fantastic Temperance Brennan series is better than the last."—Lisa Scottoline "Reichs always delivers a pulse-pounding story."—Publishers Weekly "I love Kathy Reichs—always scary, always suspenseful, and I always learn something."—Lee Child

#1 New York Times bestseller! From extremist groups to NASCAR to forensic twists, Temperance Brennan is back in a turbo-charged story of secrets and murder. A body is found in a barrel of asphalt in a landfill just before Raceweek when 200,000 fans are pouring into town. The next day a NASCAR crewmember visits Temperance Brennan at the MCME and tells his story. His sister, Cyndi Gamble, then a high school senior who wanted to be a NASCAR driver, disappeared twelve years before along with her boyfriend, Cale Lovette. Lovette used to hang out with a group of right-wing extremists known as the Patriot Posse. Is the body Cyndi's? Or Cale's? At the time of their disappearance, the FBI joined the investigation because of Cale's association with extremists. But the search was quickly terminated. Was there a cover-up? Tempe considers the multiple theories: did the pair take off together to join the underground militia and then get killed by militia types? Did Cale kill Cyndi and disappear into the militia underground? The case gets more complex when another man, Ted Raines, is identified as missing in Charlotte, where he had gone for the big race. Ted was an employee of the CDC in Atlantic. Could the body be his? What could Raines—if it is Raines—have been up to?

The first Temperance Brennan novel in the "cleverly plotted and expertly maintained series" (The New York Times Book Review) from the #1 internationally bestselling thriller writer Kathy Reichs. Her life is devoted to justice—even for those she never knew. In the year since Temperance Brennan left behind a shaky marriage in North Carolina, work has often preempted her weekend plans to explore Québec. When a female corpse is discovered meticulously dismembered and stashed in trash bags, Temperance detects an alarming pattern—and she plunges into a harrowing search for a killer. But her investigation is about to place those closest to her—her best friend and her own daughter—in mortal danger... "A genius at building

suspense" (Daily News, New York), Kathy Reichs's Temperance Brennan books are both "accomplished and chilling" (People) and "ripe with intricate settings and memorable characters" (Milwaukee Journal Sentinel).

From New York Times bestselling author Kathy Reichs, Grave Secrets is a bone-chilling Tempe Brennan novel of international black marketeering, decades-old mass murder, and contemporary homicide, now repackaged in a new trade paperback edition. They are "the disappeared," twenty-three massacre victims buried in a well in the Guatemalan village of Chupan Ya two decades ago. Leading a team of experts on a meticulous, heartbreaking dig, Tempe Brennan pieces together the violence of the past. But a fresh wave of terror begins when the horrific sounds of a fatal attack on two colleagues come in on a blood-chilling satellite call. Teaming up with Special Crimes Investigator Bartolomé Galiano and Montreal detective Andrew Ryan, Tempe quickly becomes enmeshed in the cases of four privileged young women who have vanished from Guatemala City—and finds herself caught in deadly territory where power, money, greed, and science converge.
