Berger Bullets | Reloading Data

When we made the Berger Reloading Manual we wanted to share our expertise beyond just the data you normally find within such guides. Our reloading manual features data for over 60 different cartridges, but we also went the extra mile and added several sections of information that we believe shooters like you would find useful.

Berger Bullets | Loading Manual

The following is a complete list of the cartridges found in our reloading manual. This book contains load data for 71 cartridges. We tried to include as many popular cartridges as possible; but due to time and size restraints, we were not able to accommodate every one. These additional loads will be listed on our website once the manual is released (along with data for new bullets, etc). 17 ...

Berger Bullets Reloading Manual Cartridge List | Berger ...

There is something in this manual for every type of reloader from the most well-seasoned veteran looking for highly technical information, to the beginning reloader just cutting his teeth looking for the basics. This manual will be a great addition to any reloading bench and is perfect manual for reloaders using Berger Bullets.

Berger 1st Edition Reloading Manual - MidwayUSA

The Berger Bullets Reloading Manual had some valuable information that I suppose could be applied to reloading other than what I'm planning on. Unfortunately, I purchased 1,250 of Berger's .338 Lapua bullets at a premium price because of the advertised ballistic coefficient and there's nothing in this manual that pertains to that caliber Berger obviously markets.
