Sweet and Deadly: Harris, Charlaïne: 9781625671202: Amazon ...

I love Charlaïne Harris' books and have followed her since the Sookie Stackhouse collection. I opened "Sweet and Deadly" one morning during the Covid 19 quarantine and could not put it down until the end. I am a avid reader but I have never before been able to be so focused or entertained by a story. Brava, Ms. Harris.

Sweet and Deadly – Charlaine Harris

"Sweet & Deadly" is more along the lines of the Lily Bard series than any of Harris' other series. The book is dark, and the main character is jaded. The small, southern town makes for a wonderful backdrop, and, as in the Lily books, someone in this small town is hiding a big secret.

Sweet and Deadly was the thrilling debut mystery from Charlaïne Harris, the #1 New York Times bestselling author of the Sookie Stackhouse novels, as well as the award-nominated Aurora Teagarden, Lily Bard, and Harper Connelly mysteries. This item is Non-Returnable.

Author of the books that inspired True Blood on HBO and Midnight, Texas on NBC Newspaper reporter Catherine Linton ignored her investigative instincts when her parents died in a mysterious car crash six months ago — grief obscuring the warning signs that something was amiss. But when she discovers the beaten body

Where To Download Books Sweet And Deadly Charlaine Harris Now

of her father's nurse on Linton property, Catherine quickly realizes her parents' death was no accident. Though the sleepy Southern town that Catherine's family has called home for generations still prickles with racial tension and decades-old classism, Catherine never expected that Lowfield, Mississippi, could harbor a murderer. Now, it seems everyone has a terrible secret. But how many people in Lowfield would kill to keep them hidden? Catherine finds herself both the sheriff's lead suspect and the killer's next target. With the help of her handsome editor, Randall, and her quirky fellow reporter, Tom, Catherine must untangle the dark roots of the murders and stop the killer who wears a neighbor's face. Sweet and Deadly is the thrilling stand-alone mystery debut from Charlaine Harris, the #1 New York Times bestselling author of the Sookie Stackhouse vampire series, as well as the award-nominated Aurora Teagarden Series, Lily Bard Series, and Harper Connelly Series.

Nickie Callahan finds that the safety and security of her small, college-town in Tennessee is an illusion when the women of the town are stalked by a brutal rapist. Reprint.

Shakespeare, Arkansas, is a small Southern town with plenty of secrets, and Charlaine Harris's Lily Bard, fresh from her acclaimed debut in Shakespeare's Landlord, is just one more of its residents—albeit one harboring a few secrets of her own—with a desire to live quietly. Lily keeps to herself, between her job as a cleaning woman for several townspeople and her visits to the gym, where she's a devotee of karate and bodybuilding. These two pursuits seem a bit odd for the petite Southern woman, but as work and play, they keep her focused and balanced. When a fellow gym member is found dead after a workout with a barbell across his throat, Lily wants to believe it's an accident. But looking at the incident against the background of other recent events in Shakespeare, including a few incidents that appear to be racially motivated, she's afraid it could be a part of something much, much bigger—and more sinister...in Shakespeare's Champion.

Before Charlaine Harris created Sookie Stackhouse and Harper Connelly, she wowed mystery readers with her first published novels: Sweet and Deadly, "set in a small town on the Mississippi Delta that Harris makes excitingly real" (Publishers Weekly) and A Secret Rage, a "powerful" (Boston Globe) and "extraordinary" (Library Journal) story of a vicious crime and its aftermath. Now both novels are available in this set from the # 1 New York Times bestselling author. Sweet and Deadly A Secret Rage

When a vampire enlists the aid of cocktail waitress Sookie Stackhouse to use her telepathic talents to find a missing vampire in Dallas, she agrees to the deal if the vampires promise to behave and to let the humans go unharmed. Original.

After witnessing the firebombing of the bar where she works, clairvoyant Sookie Stackhouse has her attention diverted when she realizes her vampire lover, Eric Northman, and his "child," Pam, are plotting to kill the vampire who is now their master.

Author of the books that inspired True Blood on HBO and Midnight, Texas on NBC Aurora Teagarden, small town librarian and true crime buff, is looking forward to the monthly meeting of the Real Murders Society, a group of fellow crime enthusiasts who share a unique interest in historical murders. The Society meetings are the highlight of Roe's social life in sleepy Lawrenceville, Georgia, and she's ready for a quiet night of discussion, coffee, and cookies. But after she finds the body of a Society member in a staged crime scene eerily similar to the one the group was supposed to discuss that very night, Roe finds herself at the center of a murderous story of her own. As the killer strikes again, it's obvious that members of the Real Murders Society have become targets of a knowledgeable copycat. With the help of handsome police detective Arthur Smith and the town's dashing new resident, mystery novelist Robin Crusoe, it's up to Roe to discover if the murderer is one of the group's own and to piece the perplexing puzzle together before another body appears. From #1 New York Times bestselling author Charlaïne Harris, this first book in the Aurora Teagarden mystery series combines the excitement of solving the crime and the charm of Southern hospitality. Real Murders, A Bone to Pick, Three Bedrooms, One Corpse and the rest of the Aurora Teagarden mysteries have been adapted into film for Hallmark Movies & Mysteries.

#1 New York Times bestselling author Charlaïne Harris returns with "a gripping, twisty-turny, thrill ride of a read (Karin Slaughter) in which Lizbeth is hired onto a new crew, transporting a crate into Dixie, the self-exiled southeast territory of the former United States. What the crate contains is something so powerful, that forces from across three territories want to possess it. In this second thrilling installment of the Gunnie Rose series, Lizbeth Rose is hired onto a new crew for a seemingly easy protection job. She is tasked with transporting a crate into Dixie, just about the last part of the former United States of America she wants to visit. But what seemed like a straightforward job turns into a massacre as the crate is stolen. Up against a wall in Dixie, where social norms have stepped back into the last century, Lizbeth has to go undercover with an old friend to retrieve the crate as what's inside can spark a rebellion, if she can get it back in time. "Another winning series from a sure-bet author" (Booklist) Charlaïne Harris (Sookie Stackhouse mysteries and Midnight, Texas trilogy) is at her best here, building the world of this alternate history of the United States, where magic is an acknowledged but despised power.

In the first installment of Charlaïne Harris's Aurora Teagarden series, Real Murders, the small town of Lawrenceton, Georgia, was beset by a series of horrific murders. Librarian Aurora "Roe" Teagarden teamed up with true crime writer Robin Crusoe to catch the killer, and the results of their investigation have gone down in Lawrenceton history. Now, in Last Scene Alive, Robin is back in town, set to begin filming the movie version of the terrible events of so many years ago. Of course he's not alone-he brings with him a cast and crew the size of which nearly overwhelms the tiny excitement-starved town. Roe is disturbed to discover that the film's crew includes her stepson, who despises her, as well as an actress set to play her in the film. Everyone in Lawrenceton suddenly goes movie crazy, mentally composing awards-acceptance speeches while prancing around the fringes of the set awaiting discovery. Roe's not so crazy about the whole thing...and neither is a secret, vicious murderer. When bodies start dropping, it's up to Roe to reprise her role as amateur sleuth and stop the carnage before it gets out of hand. It's no problem for the beloved small-town librarian in this wonderfully cozy installment in
