Business Result is a six-level business English course that gives students the communication skills they need for immediate use at work.

With its communicative syllabus, authentic business material, and expert tips from a leading management school, plus interactive multi-media, Business Result helps students learn the communication skills they need for work quickly and effectively.

With its communicative syllabus, authentic business material, and expert tips from a leading management school, plus interactive multi-media, Business Result helps students learn the communication skills they need for work quickly and effectively.

Business Result Second Edition offers business professionals more communication and language practice than ever before, helping students develop relevant communication skills they can use immediately in the workplace.

The Business Result DVD Edition Teacher's Book supports the teacher in every aspect of business English teaching. Notes, activities, and supplementary material in the Teacher's Book provide teachers with extra ideas and support. The tests for each unit at the end of the book allow teachers to give students extra practice, and help to track their progress. The Class DVD features all the video material that can also be found on the Student's Interactive Workbook DVD-ROM. Each unit includes a video clip that can be used as a focal point of discussion, to develop students' listening skills, introduce new vocabulary and teach the business communication skills that students need in context. The Class DVD also includes a downloadable DVD worksheet for every clip, ready to print off and use immediately in class. The worksheets include listening and speaking practice, video script, and answer key. The Teacher Training DVD helps to put teaching theory into practice. It includes classroom footage and author commentary, and shows teachers how BusinessResult works in the classroom. The Teacher Training DVD gives practical tips and help for teaching business English. 15 pedagogical areas are covered across the five levels, such as social English, needs analysis, and business writing. The Teacher Training DVD can be used for introducing new teachers to business English teaching, giving in-house teacher training, or familiarizing teachers with Business Result material.
