Shaggy Beard wishes to take me to wife! What a monstrous joke. That dog assassin whose breath smells like the mouth of Hell, who makes wind like others make music, who is so ugly and old! Catherine's in trouble. Caught between a mother who is determined to turn her into the perfect medieval lady and a father who wants her to marry her off to much older and utterly repulsive suitor. Luckily, Catherine has a plan. She has experience outwitting suitors

and is ready to take matters into her own hands. A fun and vibrant coming-of-age novel about a 14-year-old girl's fight for freedom and right to self-determination.

"Corpus Bones! I utterly loathe my life." Catherine feels trapped. Her father is determined to marry her off to a rich man--any rich man, no matter how awful. But by wit, trickery, and luck, Catherine manages to send several would-be husbands packing. Then a shaggy-bearded suitor from the north comes to call--by far the oldest, ugliest, most revolting suitor of them all. Unfortunately, he is also the richest. Can a sharp-tongued, high-spirited, clever young maiden with a mind of her own actually lose the battle against an ill-mannered, piglike lord and an unimaginative, greedy toad of a father? Deus! Not if Catherine has anything to say about it! Catherine feels trapped. Her

In a small village in medieval England, a young homeless girl acquires a home and a new career when she becomes the apprentice to a sharp-tempered midwife.

Into the fascinating, pungent setting of Blood and Bone Alley, home of leech, barber-surgeon, and apothecary, comes Matilda, raised by a priest to disdain worldly affairs and focus on spiritual matters. To Matilda's dismay, her work will not involve Latin or writing, but practical tasks: lighting the fire, going to market, mixing plasters and poultices, and helping Peg treat patients. She is appalled by the worldliness of her new surroundings, and the sharp-tongued saints she turns to for advice are no help at all. Filled with the witty dialogue and richly authentic detail that Karen Cushman's work is known for, *Matilda Bone* is a compelling comic novel about a girl who

learns to see herself and others clearly, to laugh, and to live contentedly in this world. Author's note.

"Millie McGonigle lives in sunny California, where her days are filled with beach and surf. It should be perfect--but times are tough. Hitler is attacking Europe and it looks like the United States may be going to war. Food is rationed and money is tight. And Millie's sickly little sister gets all the attention and couldn't be more of a pain if she tried. It's a time of sunshine, siblings, and stress. Will Millie be able to find her way in her family, and keep her balance as the world around her loses its own?"--

Dear Gram and Grampop, Please do not address yours truly as California anymore, California Morning Whipple being a foolish name for a duck much less a girl. I

call myself Lucy now. I cannot hate California and be California. I know you will understand. California doesn't suit Lucy Whipple -- not the name, not the place. But moving out West to Lucky Diggins, California, was her mama's dream-come-true. And now her brother, Butte, and sisters, Prairie and Sierra, seem to be Westerners at heart, too. For Lucy, Lucky Diggins is hardly a town at all -- just a bunch of ramshackle tents and tobacco-spitting miners. Even the gold her mama claimed was just lying around in the fields isn't panning out. Worst of all, there's no lending library! Dag diggety! So Lucy vows to be plain miserable until she can hightail it back East where she belongs. But Lucy California Morning Whipple may be in for a surprise -- because home is a lot closer than she thinks... When California Morning Whipple's widowed mother uproots her

Gold family from their comfortable Massachusetts environs and moves them to a rough mining camp called Lucky Diggins in the Sierras, California Morning resents the upheaval. Desperately wanting to control something in her own life, she decides to be called Lucy, and as Lucy she grows and changes in her strange and challenging new environment. Here Karen Cushman helps the American Gold Rush spring to colorful life, just as she did for medieval England in her previous two books, Catherine, Called Birdy and The Midwife's Apprentice, which won Newbery Honor status and a Newbery Medal respectively.

From two-time Newbery award-winning author Katherine Paterson. When Lyddie and her younger brother are hired out as servants to help pay off their family farm's debts, Lyddie is determined to find a way
