In the literature on English lexicography there have been few attempts at a systematic study of the history of popular dictionaries that have been around for many years in English-speaking

Read PDF Chambers Compact English

Dictionary. A dictionary like Chambers deserves special attention because of its long tradition that goes back to the nineteenth century. Although it has gone through numerous editions, its history has received little attention from scholars. The book traces the development of the Chambers Dictionary from its origins to the present time by comparing corresponding parts of successive editions of the dictionary. This comparative approach aims to determine major trends in the evolution of the dictionary. It will provide scholars and interested students with
