Chapter 15. The Ferment of  
Reform and Culture.

1790-1860 . Reviving  
Religion. Thomas Paine  
promoted the doctrines of  
Deism. Deists relied on  
science rather than the  
Bible and they denied the  
divinity of Christ. They did  
believe in a Supreme Being  
who had created a universe  
and endowed human beings  
with a capacity for moral  
behavior.
