Reporter-turned-p.i. Tess Monaghan loves every inch of her native Baltimore—a quirky city where baseball reigns, and homicide seems to be the second most popular sport. “Blight ’s” surprised editors are sure they killed the piece. Instead, the piece kills Wynkowski, who ’s discovered asphyxiated in his garage with his car ’s engine running. Now the paper wants former newshound Tess to track down the rogue computer hacker whose prank took a human life. But there ’s more than cyber-crime involved here—and Tess is about to discover firsthand that trying to stay alive in Charm City is murder these days.

Until her paper, the Baltimore Star, crashed and burned, Tess Monaghan was a damn good reporter who knew her hometown intimately -- from historic Fort McHenry to the crumbling projects of Cherry Hill. Now gainfully unemployed at twenty-nine, she's willing to take any freelance job to pay the rent -- including a bit of unorthodox snooping for her rowing buddy, Darryl "Rock" Paxton. In a city where someone is murdered almost everyday, attorney Michael Abramowitz's death should be just another statistic. But the slain lawyer's notoriety -- and his noontime trysts with Rock's fiancée -- make the case front page news...and points to Rock as the likely murderer. But trying to prove her friend's innocence could prove costly to Tess -- and add her name to that infamous ever-growing list.

New York Times bestselling author Laura Lippman plunges Baltimore private investigator Tess Monaghan into a twisted and disturbing case. Tess Monaghan has encountered almost every possible criminal motive throughout her career: greed, revenge, jealousy, rage. But there are crimes that defy all attempts at understanding, where a search for motive seems pointless. Melisandre Harris Dawes committed such a crime. Found not guilty by reason of insanity, she fled the country, leaving her two daughters with their father. Twelve years later, she ’s back in Baltimore, and Tess is asked to provide security detail while Melisandre films a documentary about her attempts to reconcile with her now teenaged children. Tess, juggling work

with caring for her demanding toddler, is uneasy about the case. Still, Melisandre ' s lawyer is family. And there is something about the woman herself—confident, beautiful, shrewdly intelligent—that draws Tess in. Is she a master manipulator or someone who was driven to temporary madness? Cold and calculating, or a mother concerned for her daughters ' well being? Someone is leaving Melisandre enigmatic, threatening notes. Soon Tess, insecure about her parenting abilities and receiving cryptic messages of her own, isn ' t sure whether she should be protecting Melisandre from harm—or protecting everyone else from Melisandre. When Melisandre becomes the prime suspect in a murder, Tess must uncover the truth. Doing so will mean confronting her deepest beliefs about what separates good parents from bad, madness from sanity, and what lengths even the most rational person will go to, to protect what they cherish most.

New York Times Bestseller Award-winning and New York Times bestselling author Laura Lippman ' s Tess Monaghan—first introduced in the classic *Baltimore Blues*—becomes involved in a complicated investigation that will force her to question her loyalties. “ Chilling, insightful, and edge-of-your seat exciting. ” —USA Today For Tess Monaghan, the unsolved murder of a young federal prosecutor is nothing more than a theoretical problem, one of several cases to be deconstructed in her new gig as a consultant to the local newspaper. But it becomes all too tangible when her boyfriend, Crow, brings home a young street kid who ' s a juvenile con artist and who doesn ' t even realize he holds an important key to the sensational homicide. Tess agrees to protect the boy ' s identity no matter what, especially when one of his friends is killed in what appears to be a case of mistaken identity. But as she soon discovers, her ethical decision to protect him has dire consequences. And with federal agents determined to learn the boy ' s name at any cost, Tess finds out just how far even official authorities will go to get what they want. It isn ' t long before Tess finds herself facing felony charges. To make matters worse, Crow has gone into hiding with his young

protégé. So Tess can't deliver the kid to investigators even if she wants to. Now her only recourse is to get to the heart of the sordid and deadly affair while they're all still free...and still breathing.

New York Times bestselling author Laura Lippman's Tess Monaghan must solve one of the most baffling murders in her PI career. When Tess Monaghan agrees to talk to Ruthie Dembrow, she senses she'll regret it. If there's anything Tess has learned in her work both as a newspaper reporter and then as a PI, it's to trust your instincts. Still, she can't deny she's intrigued when Ruthie asks her to investigate the fatal stabbing of her brother, Henry, while he was locked away for murdering a teenage runaway over a bottle of glue. Henry's death at the hands of fellow convicts doesn't surprise Tess, but what does is that he was convicted for murdering a "Jane Doe"—something that rarely happens in the judicial system. No ID was found on the victim's body, and her fingerprints didn't match up to any in the national database. How could anyone escape all the identity nets of the modern world? Ruthie is convinced if she learns the identity of her brother's victim, maybe she can also find out why he was killed. Tess's search takes her on a harrowing journey from Baltimore's exclusive Inner Harbor to the seedy neighborhood of Locust Point. But it's the shocking discovery of the runaway's true identity that turns Tess's hunt deadly. Suddenly, her supposedly solved murder case keeps turning up newer, fresher corpses and scarier versions of the Sugar House—places that look so sweet and safe, but only from the outside.

that old romantic spark—creates a playful diversion that comes with unexpected consequences. Lippman ’ s beloved Baltimore PI Tess Monaghan keeps a watchful eye on a criminally resourceful single father in “ Seasonal Work, ” while her mother, Judith, realizes that the life of “ The Everyday Housewife ” is an excellent cover for all kinds of secrets. In “ Slow Burner, ” a husband ’ s secret cell phone proves to be a dicey temptation for a suspicious wife. A father ’ s hidden past piques the curiosity of a young snoop in “ The Last of Sheila-Locke Holmes. ” Plus seven other brilliantly crafted stories of deception, murder, dangerous games, and love gone wrong—irrefutable evidence that Laura Lippman ’ s riveting fiction will more than satisfy any crime reader.

New York Times Bestseller Award-winning and New York Times bestselling author Laura Lippman ’ s Tess Monaghan—first introduced in the classic Baltimore Blues—must track down a missing wife and unravel the secrets in her marriage that led her to flee. “ A hair raising ride. ” —Boston Globe Mark Rubin's family is missing—and the police won't get involved because all the evidence indicates that his wife left willingly. So the successful Baltimore furrier turns to Tess Monaghan, hoping she can help him find his wife and three children. Tess doesn't quite know what to make of Rubin, who doles out vitally important information in grudging dribs and drabs. According to her client, he and his beautiful wife, Natalie, had a flawless, happy marriage. Yet one day, without any warning or explanation, Natalie gathered up their children and vanished. Tapping into a network of fellow investigators spread across the country, Tess is soon able to locate the runaway wife and the children who have been moving furtively from state to state, town to town. But the Rubins are not alone. A mysterious man is traveling with them, a stranger described by witnesses as "handsome" and "charming" but otherwise unremarkable. And the deeper Tess digs, the more she suspects that the motive behind Natalie's reckless flight lies somewhere in the gap between what Rubin will not say and

what he refuses to believe. An intricate web of betrayal and vengeance is already beginning to unfold, as memory begets rage, and rage begets desperation...and murder. Suddenly, much more than one man's future happiness and stubborn pride are in peril. For the lives of three innocent children are dangling by the slenderest of threads.

From critically acclaimed, multiple-award winner Laura Lippman comes a riveting story of love and murder, guilt and innocence Two little girls banished from a neighborhood birthday party find an abandoned stroller with an infant inside on an unfamiliar Baltimore street. What happens next is shocking and terrible, causing the irreparable devastation of three separate families. Seven years later, Alice Manning and Ronnie Fuller, now eighteen, are released from “ kid prison ” to begin their lives over again. But the secrets swirling around the original crime continue to haunt the parents, the lawyers, the police, and all the adults in Alice and Ronnie ’ s lives. And now another child has disappeared, under freakishly similar circumstances.

On her seventy-fifth birthday, the author's mother confessed to an affair more than three decades past. His father's response was unforgiving. Her need to confess met his limitless rage. She acted out of love; he sought revenge. Their battle consumed everything and everyone around them. In the middle of this struggle, she was diagnosed with cancer. Two years later, she died. Testimony is a son's memoir of this struggle. Paul Kahn finds here a story of the twentieth century, beginning with poverty in the Depression and immigration from

Hitler's Germany. He follows his father's experience of the war and his return with PTSD. He traces his parents' movement through the turbulent 60s. More than a study of twentieth-century culture, *Testimony* is a philosophical inquiry into the possibility of faith in a secular age. History, philosophy, and theology flow together as Kahn finds in his parents' lives the resources for a series of essays on the nature of truth, memory, death, and faith. *Testimony* is most of all a meditation on love in a time in which the very possibility of faith is constantly put to the test.
