Coaching Football Technical and Tactical Skills focuses on the
situational decisions players and coaches make that often determine
the outcome of games. Written by the American Sport Education Program
(ASEP) in conjunction with Rob Ash, the head football coach at Drake
University, this book allows players to gain valuable gamelike playing
experience in practice by putting them in key tactical situations like
the scramble, man-to-man and zone pass coverage, and onside kick.

As a result, players have less opportunity to work on their technical and tactical abilities. To help avoid this, the England DNA asks coaches to see the Foundation Phase as a period of investment. During this time, possession is an 'individual event' first and each child needs lots of time on the ball.
