Reimagine a practically focused and timely introduction to the foundations of marketing today with the innovative approach found in Boone/Kurtz's best-selling CONTEMPORARY MARKETING, 19E. This edition focuses on application-based learning with streamlined content that highlights real skills that marketing professionals use on a regular basis. Rather than introducing an overly broad array of topics, this edition thoroughly explores today's most relevant and important concepts, research and best practices, including marketing analytics and the career readiness skills most important for student success. As a result of this practical approach, students learn more in less time. Memorable opening and closing examples for each section further advance learning objectives and demonstrate concepts in action to increase comprehension and retention of key concepts, while a wealth of applications further prepare students to become effective marketers. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

As the effectiveness of traditional marketing techniques continues to diminish, contemporary marketing increasingly becomes the most reliable method of expanding outreach and reflecting the needs of the modern consumer. When implemented, these contemporary strategies offer the greatest support for their client base, with a product range that adapts to the desires of the target market. The channels used to underpin these strategies are also radically different from traditional methods – placing emphasis upon platforms such as social media. Designed for both undergraduate and postgraduate students, as well as those in executive education and general business, The Essentials of Contemporary Marketing covers a wide range of themes, including: - Consumer behaviour - The latest marketing research - Services marketing - Brand management - Global marketing, and - Ethics in marketing. Each chapter includes case studies to illustrate and contextualise the topics covered, featuring companies as diverse as Amazon, McLaren, Unilever, UBS and Virgin Money. In alignment with its subject matter, The Essentials of Contemporary Marketing prioritises practicality over theory-based content - providing a comprehensive and contextualised insight into how marketing is developing in the 21st century.

As the landscape of marketing knowledge changes, contemporary buyers, be it individuals or organisations are now more informed, more demanding and crave value co-creation with marketers. This, coupled with technological and socio-cultural changes, provides robust evidence that the old perspectives, assumptions, and practices of marketing are no longer satisfactory. Contemporary Issues in Marketing is a comprehensive, up-to-date, and cutting edge resource that presents a coherent understanding of topical issues in marketing. Bringing together theory and practitioners' perspectives, it firmly addresses the prevailing challenges in the marketing world. Using vignettes on topics such as technology, ethics and practitioner viewpoints, this book explores the paradigm shift in marketing and developments in thoughts throughout the discipline.

Internationally known photo consultant and owner of Burns Auto Parts--Consultants, Leslie shares her best thoughts on marketing for the commercial photographer. This book covers everything from cold calls to websites and social marketing and much more.
