In an explosion of his own making, Lucius blew his arms off. Now he has hooks. He chose hooks because they were cheaper. He chose hooks because he wouldn't outgrow them so quickly. He chose hooks so that everyone would know he was different, so he would scare even himself. Then he meets Aurora. The hooks don't scare her. They don't keep her away. In fact, they don't make any difference at all to her. But to Lucius, they mean everything. They remind him of the beast he is inside. Perhaps Aurora is his Beauty, destined to set his soul free from its suffering. Or maybe she's

Modern-day teen Emily March turns to Louisa May Alcott's famous book for a school assignment and finds herself mysteriously transported to the world of "Little Women," where she undergoes surprising changes.

Lucy Sexton is stunned when her mother's identical twin sister shows up at the family's front door one day. Separated at birth, the two women have had dramatically different upbringings, and Lucy's mother, Aliese, will do anything to make it up to Helen-including taking Helen into their home and turning

her into a lady that all of society will admire. Aunt Helen's transformation is remarkable. But is it just Lucy's imagination, or does Helen seem to enjoy being mistaken for Lucy's mother? Then, on New Year's Day, Lucy is horrified to find her aunt and mother tied to chairs in the parlor. One of them has been brutally murdered-but which twin has died? Surely her daughter will know... Filled with shocking twists and turns, *The Twin's Daughter* is an engrossing gothic novel of betrayals and secrets that will keep readers guessing until the end.

For herein Fortune shows herself to be more kind Than is her custom. That's Shakespeare. In case you're wondering. If you were Delilah "Baby" Sampson, you'd already know that. Delilah got hooked on the Bard back in college. Then she briefly got hooked on Singapore Sling cocktails. And then she got tossed out of school. Yes, when Delilah discovers something she likes, she really sticks with it. These days, her addictions include sudoku, lime diet cola and now...Jimmy Choos. Oh, Baby's gotta have those shoes! But on her window-washer salary, \$700 for one pair is a stretch.

Which leads us to her latest obsession...gambling. With an impromptu posse, including an elderly movie star, two Brazilian lesbians and Hillary Clinton (no, not that one!), Delilah hits the casinos and discovers that she's a natural-born high-roller. Every win puts her closer to those beloved Choos. And as the "21s" keep dropping, so do the men...right at her feet. But for a girl who never knows when to fold 'em, gambling and casino guys are not healthy habits. She could end up losing her shirt, her head...and a whole lot more.
