The acclaimed bestseller--a selection of Oprah's Book Club--that brings vividly to life the Georgetown neighborhood of Washington, DC, circa 1925, a community reeling from a young girl's tragic death. Five-year-old Clara Bynum is dead, drowned in the Potomac River in the shadow of a seemingly haunted rock outcropping known locally as the Three Sisters. River, Cross My Heart, which marks the debut of a wonderfully gifted new storyteller, weighs the effect of Clara's absence on the people she has left behind: her parents, Alice and Willie Bynum, torn between the old world of their rural North Carolina home and the new world of the city, to which they have moved in search of a better life for themselves and their children; the friends and relatives of the Bynum family in the Georgetown neighborhood they now call home; and, most especially, Clara's sister, ten-year-old Johnnie Mae, who must come to terms with the powerful and confused emotions stirred by her sister's death as she struggles to decide what kind of woman she will become. This highly accomplished first novel resonates with ideas, impassioned lyricism, and poignant historical detail as it captures an essential part of the African-American experience in our century.

True love can blossom in unexpected places. This is Jaden pretending not to notice. . . . Jaden McEntyre and Parker Whalen are a wrong fit from the start. Jaden is driven and focused, Harvard Med School within reach. Parker has a past—a reputation—and the rumors about his mysterious habits abound. So there's no reason why, when they're assigned to work together on a project in English, they should discover they have anything in common, or even like each other, and they definitely shouldn't be falling in love. As they bond over Edith Wharton's tragic novella, Ethan Frome, the "bad boy" vibe Parker plays begins to dissipate. Soon, Jaden finds herself shedding her own "good girl" image: sneaking around to be with him, confiding in him, and ultimately falling hard for this leather-wearing, motorcycle-driving loner who plays into the rebel stereotype. Still, Jaden can't shake the feeling that there's more to Parker than he's letting on. He's hiding something from her, and discovering the truth means reconciling the Parker she's grown to love with the person he really is. Because it's possible that his life inside the classroom—everything Jaden knows—is one massive lie. CROSS MY HEART, told from Jaden's point of view, is a 76k-word/300-page contemporary romance for young adults. Bonus features include the official playlist and an interview with the author. * In addition to spending more than 100 days on the Amazon Teen Top 100 Bestseller List in its first year of release, CROSS MY HEART was also a 2011 Goodreads Choice Awards Nominee for Best YA Fiction. keywords: contemporary YA, teen drama, bad boy romance, romantic love story, coming of age, strangers to lovers
