My CrossFit Training Template has 5 components that are built in the 3 times a week for both metcon and strength schedule. Endurance training follows every day alternating between lighter and heavier sessions. The rest days are active recovery days with mobility, skill or light endurance components.

Training Template | RX THE WOD

A workout journal seems to be optional for a lot of people in the fitness community. This is surprising to me since everyone has some sort of goal but they don't really know where they are going or where they have been. A journal should not be optional and it can be a great tool to help you progress.
