carefully crafted in such a way that private candidates will be able to have a greater appreciation for what is required of them. These are high-quality responses which candidates are encouraged to examine. What are Guided Practice Questions? This book is constructivist in nature. After students have examined the model responses, they are given the opportunity to craft their own responses with the useful guidelines and tips throughout the Guided Practice. This way, students will gradually develop the skills and critical thinking required. What are Independent Practice Exercises? The Independent Practice Exercises replicate the structure of past papers. After students have been afforded the well-needed educational scaffolding in the Model Responses, The Guided Practice, they should be competent enough to complete the Independent Practice with mastery.
