SHE MARRIED THE ONE MAN SHE WAS TRYING TO AVOID Thinking to assure a business merger with the wealthy, successful Cameron Banks, Olivia Donovan's mother drags her to Las Vegas for a business convention, demanding she meet Banks and seduce him into wanting to marry her. intending to rebel and marry the very antithesis of Cameron Banks. Who she finds is a drunk hottie that takes her to new heights of pleasure and shows her a side of herself she never knew existed before. But after her amazing night in her new husband's arms, she awakens the next morning only to discover she married and slept with the very Cameron Banks she'd been trying to avoid. Is Cam the devil she feared, or will he end up being her one true hero? (2nd Edition)

Here's the same old "girl posing as a boy" story but with a rock-n-roll twist. Remy Curran dreams of one day being in a band, except the group she wants to join refuses to hire a girl drummer.

So, she auditions as a guy...and makes the cut. Becoming "Sticks," a member of Non-Castrato, isn't quite what she dreamed it would be, though. She spends most of her time keeping up the subterfuge and learning how to walk, talk, act, and drink like a man. But what's even harder to deal with is acting oblivious when the band's heartthrob lead singer, Asher Hart, treats her like one of the guys and not a woman. She never imagined he'd be so much more than a pretty face with a nice voice. But he's better than perfect. He's perfect for her. When love and lies combine, Remy must keep up the act or lose everything. But who knew lying to reach one dream could

Don't you just hate it when someone destroys all your carefully made plans? I mean, I had goals: college to graduate in one semester, a future I was working hard to reach, and an image of myself I wanted the world to see. My life was stacked into these precisely placed blocks. But then Colton Gamble came along and knocked them all askew. I hated how he messed everything up, how he could hog all my attention whenever he was around, how he made my pulse quicken—but only because he ticked me off...not because I was attracted to him. Oh! And I hated how he knew how attractive he

was too, the shallow, full of himself, doesn't take no for an answer, too flirty, too cocky, extremely irritating jerk. The boy had all the qualities that turned me off. Or so I thought. One night he wasn't quite the brainless, overconfident jerk I assumed he always was. One night, he took care of me when I was at my lowest. He opened up to me and made me open up to him. Now I'm learning maybe he's not what I first thought he was. And maybe I'M not what I first thought I was. Maybe it's okay to rearrange a couple of my perfectly set blocks. Maybe, just maybe, I'll stop worrying about what I'm afraid everyone else will think and finally reach for something I really want. It's possible some of my

plans need to be destroyed, and Colton Gamble is exactly the kind of mess I need in my life. What do you think? Should I give him a try? Desperately seeking your advice, Julianna Radcliffe

Camille had only been heading to her grandma's house because Gran couldn't figure out her cable again, but along the way, she stumbled across the city's notorious graffiti artist. And now that she knows who the face behind the spray-paint can is, she can't seem to listen to her friends' sage advice and follow the safe path, leaving well enough alone. She's determined to coax Black Crimson into agreeing to an exclusive interview so she can become the

Junior in college. Star athlete. Constant attention from the opposite sex. On this campus, I'm worshiped. While seven hundred miles away, back in my hometown, I'm still trailer park trash, child of the town tramp, and older sibling to three kids who are counting on me to keep my shit together so I can take them away from the same crappy life I grew up in. These two opposing sides of myself never mix until one person gets a

glimpse of the true me. I never expected to connect with anyone like this or want more beyond one night. This may be the real deal. Problem is Dr. Kavanagh's my literature professor. If I start anything with a teacher and we're caught together, I might as well kiss my entire future goodbye, as well as my family's and especially Dr. Kavanagh's. Except sometimes love is worth risking everything. Or at least, it damn well better be, because I can only resist so much.

LUCY GAMBLE, KNOCKED UP BY DYING MAN SHE GAVE SYMPATHY SEX, NOW MOVING ON TO HIS BIG BROTHER. Have you ever tried to come up with a headline for your life? Well, mine's so cringeworthy

Get Free Delinquent Daddy Banks Kincaid Family 2

I can't believe it's actually my story...or a hundred percent true. But honestly, how could I say no to the one-night-stand when he begged? Only a monster could deny someone their dying wish, right? I mean, okay, getting pregnant from the encounter was a regrettable, irresponsible mistake; I can fully admit that. Turning to his brother, however, was never part of the plan. Initially, I didn't even like the guy. Except Vaughn Merrill is a force to be reckoned with. He's determined to be an "involved" uncle, and no matter how much I tell him he doesn't have to be so helpful, he's just so freaking helpful. And gorgeous. Plus not at all the ass I assumed he was. Then there's this massive pain

and grief and loneliness I see in his eyes. I just want to hug him constantly and give him the sense of family he so desperately needs. So really, can you blame me for falling for the one man I know I shouldn't?

Two months ago Irena and Vincenzo spent a heady week together. Their connection was instant, deep, strong. Yet it could never last—she was destined to marry another. Now Irena is pregnant and alone. "Fallon Parker's dream has always been to turn her family's wine company into a runaway success and eventually start a cellar of her own. Since graduating from college, she has worked relentlessly to make that dream a reality, especially after taking a chance on love—and losing. By the time Fallon becomes an official sponsor of the Nashville Assassins, she feels like all her hard work is finally paying off. And then the man who broke her heart skates back into her life. On the ice, Lucas Brooks is the NHL's leading scorer—at least when he's not in the box. Off the ice, he's a mess, with all his anger

and misery bottled up inside. He threw away the most important person in his life and has regretted it ever since. But when Lucas returns to Nashville in a trade, he's determined to convince Fallon that he's a changed man. The attraction is still there. The tension is electrifying. But the odds are stacked against them—especially after Lucas finds out that Fallon has been keeping a devastating secret."--Publisher's description.
