The Club Dumas (original Spanish title El Club Dumas) is a 1993 novel by Arturo Pérez-Reverte.The book is set in a world of antiquarian booksellers, echoing his previous 1990 work, The Flanders Panel. The story follows the adventures of a book dealer, Lucas Corso, who is hired to authenticate a rare manuscript by Alexandre Dumas, père.Corso's investigation leads him to seek out two copies of ...

The Club Dumas - Wikipedia
The DELOMELANICON (which is unarguably another vision of the Necronomicon Cycle) is a book reported to have been written by the "Devil himself" as a guide to "his followers." The work, said to have once been in the possession of King Solomon, reaches the realm of Medieval Sorcery in 1666 by Aristide Torchia, who publishes his version of the "Devil's Notebook" as " De Umbrarum ...

The Nine Gates to the Kingdom of Shadows, written by Aristide Torchia, Venice 1666. A book purportedly based on the abhorred Delomelanicon (a tome said to have been written by the Devil himself!). Torchia, along with his blasphemous works, were put to the flame in 1667. But Torchia revealed that he had left one copy behind.

The Nine Gates to the Kingdom of Shadows Tutorial ...
Apocrypha is a plural word (singular: apocryphan) that originally denoted hidden or secret writings, to be read only by initiates into a given Christian group. It comes from Greek and is formed from the combination of apo (away) and krytein (hide or conceal). The word apocrypha, like many other words, has undergone a major change in meaning throughout the centuries.

[Mardukite Heritage Edition: A reissue of an otherwise cycled out-of-print edition kept available for review and posterity as part of the developmental legacy of the Mardukite Research Organization, founded 2008.]
The most coveted materials from the Mardukite Research Organization return to print in the long anticipated anthology: DELOMELANICON - The Nine Gates of the Kingdom of Shadows (de Umbrarum Regni Novem Portis) edited by Joshua Free. Extracted from nine classic 'libros' books from the underground movement, The Delomelanicon offers seekers access to Nine Gates of Knowledge via a progressive literary collection unlike anything available to the public today. The greatest kept secrets of the ages are revealed simply for newcomers and adepts alike! Come and initiate yourself into the deepest teachings of the esoteric underworld! Uncover the mysteries of the primordial origins of creation and the universal dragon, the appearance of the Sumerian Anunnaki and their affect on Babylonian traditions, the use of cuneiform tablets from the Mabu priest-scribes of Mesopotamia to open stargates and interdimensional portals also echoed in the Egyptian Star-Religion. Discover as these primeval traditions unfold across time and space on the earth, giving rise to new forms Kabbalistic knowledge such as found in the mysticism of Judeo-Christian traditions as well as Gnosticism, the European Dragon Legacy and the Danubian Druids known to the Celts. As the mystery tradition unfolds, new public awareness is brought to the veils by the medieval magicians of 'high magick' and sorcerers using 'ceremonial grimoires' to affect consciousness and manipulate reality using timeless, though now corrupted, techniques. As more humans open up to these 'new worlds', the rise of Rosicrucians, the Hermetic Order of the Golden Dawn, works on Enochian Magic and those from Aleister Crowley spawn a new generation or New Age, incorporating the most recently discernible transmissions from medias such as the "Ninth Gate" movie involving the Aristide Torchia myths, Kenneth Grant, the O.T.O and A.A., other Typhonian (Tiamat) mysteries, H.P. Lovecraft, the Cthulhu Cult, the Simon Necronomicon, rivalry of sects aligned to either Marduk & Enki or Inanna-Ishtar and other participants of an "alien illuminati" to this day!

Lucas Corso's search for the original copy of a book of the occult takes him from Madrid to Paris and into a secret society of antiquarians.

"Kingdom of Shadows must be called a spy novel, but it transcends genre, as did some Graham Greene and Eric Ambler classics."–The Washington Post Paris, 1938.
As Europe edges toward war, Nicholas Morath, an urbane former cavalry officer, spends his days working at the small advertising agency he owns and his nights in the bohemian circles of his Argentine mistress. But Morath has been recruited by his uncle, Count Janos Polanyi, a diplomat in the Hungarian legation, for operations against Hitler’s Germany. It is Morath who does Polanyi’s clandestine work, moving between the beach cafés of Juan-les-Pins and the forests of Ruthenia, from Czech fortresses in the Sudetenland to the private gardens of the déclassé royalty in Budapest. The web Polanyi spins for Morath is deep and complex and pits him against German intelligence officers, NKVD renegades, and Croat assassins in a shadow war of treachery and uncertain loyalties, a war that Hungary cannot afford to lose. Alan Furst is frequently compared with Eric Ambler, Graham Greene, and John le Carré, but Kingdom of Shadows is distinctive and entirely original. It is Furst at his very best. Praise for Kingdom of Shadows
"Kingdom of Shadows offers a realm of glamour and peril that are seamlessly intertwined and seem to arise effortlessly from the author’s consciousness."–Janet Maslin, The New York Times
“Subtly spun, sensitive to nuances, generous with contemporary detail and information discreetly conveyed. . . . It’s hard to overestimate Kingdom of Shadows.”–Eugen Weber, Los Angeles Times
“A triumph: evocative, heartfelt, knowing and witty.”–Robert J. Hughes, The Wall Street Journal
“Imagine discovering an unscreened espionage thriller from the late 1930s, a classic black- and- white movie that captures the murky allegiances and moral ambiguity of Europe on the brink of war. . . . Nothing can be like watching Casablanca for the first time, but Furst comes closer than anyone has in years.”–Walter Shapiro, Time

NINE GATES OF THE KINGDOM OF SHADOWS... The reissue compact nostalgia "Amethyst Edition" of the original 2009 "Necronomicon Shadows: The Nine Gates of the Kingdom of Shadows" (Liber-9) companion to the authentic Sumerian/Babylonian Liber-N "Necronomicon" (Lapis Edition), the now infamous bestselling classic that launched itself from the modern underground movement known as the Mardukites. "More than simply a book imagined by a fantasy horror writer, or the product of some intensive Mesopotamian investigations in the 1970's, the NECRONOMICON is a piece of human consciousness, a primordial archetype that has existed in the backwaters of the mind for thousands of years. During a "new age" of revivals in ancient paganism and earth oriented spirituality, people have flocked to the ranks of neo-paganism, Wicca, Druidry and Scientology, and for good reason: the state of the world is in demand for a complete shift in human awareness. And while H.P. Lovecraft may have been alluding to such a tradition nearly one hundred years ago (even if only subconsciously) and the 1960's witnessed a gigantic practical rebirth in such traditions, it was really in the late 1970's that a separate but synchronous mainstream awakening occurred: the renewed interest in the the most antiquated Sumerian and Babylonian mysteries, specifically the role of the ANUNNAKI, Great Gods who once roamed the Earth and became the figures of our ancient mythologies..*" The Mardukite Research Organization was founded on the Summer Solstice in 2008 during the underground release of "Arcanum" by Joshua Free. At its inception, the group was extraordinarily small but pointedly grew exponentially as soon as it began to make an online internet presence. In 2009, the Mardukite Chamberlains began releasing their underground publications as part of an extraordinarily extensive version of what many people's debut into the realm of Mesopotamian esoterica had been - the Necronomicon. The original versions of the 2009 'Mardukite Core' were all elaborately designed limited edition handcrafted tomes that later only appeared in the consolidated anthology titled 'Necronomicon Anunnaki Bible'. It consisted of the 'Necronomicon (of Joshua Free)' (Liber-N) in June of 2009 and three subsequent titles, 'Necronomicon Liturgy & Lore' (Liber-L), the 'Necronomicon Gatekeeper's Grimoire' (Liber-G) and the 'Nine Gates of the Kingdom of Shadows' or 'Necronomicon Shadows' (Liber-9). Although the entire 'Year-1' anthology has been available exclusively as the 'Necronomicon Anunnaki Bible' for over four years, the 'Mardukite Truth Seeker Press' has decided to release a 'nostalgia edition' in 2012 of the original 'Mardukite Core' for those who are new to the mysteries and to rekindle the original flavor of the mystique that was ascertained by those involved with the early development of the materials. In early 2012 a condensed, compact and abridged edition of the 'Necronomicon Anunnaki Bible' appeared on the scene as a reissue of the original 'lapis edition'. To coincide with this effort, a similarly designed reissue of the remaining 2009 'gem series' (as it was called then) is intended for release. Following popular demand, the previously released 2012 'Lapis Edition' Necronomicon actually included more material than simply 'Liber-M' and thus differed from the original edition, these companions: 'Liber L', 'Liber G' and 'Liber-9', were all designed to match the original format and content as much as possible given the preexisting difference in production style. EDITION NOTE: This is a compact and abridged version excerpting key elements from the complete "Year 1" work of the Mardukite Chamberlains released in the Liber-N/L/G+9 anthology as the "Necronomicon Anunnaki Bible" edited by Joshua Free.

Discover long-lost remnants of primordial spirituality, Sumerian Anunnaki mythology and a hidden mystery tradition developed during a nearly-prehistoric Babylonian era of magic and Otherworldly encounters.

This is a new translation and edition of the book of Icelandic magic first published by Samuel Weiser in 1989. The book has been out of print for several years, and this second edition includes a completely revised translation and the explanatory notes have been doubled. The text consists of a substantial topical introduction that covers the history, theory and practice of magic in Iceland in the medieval and early modern periods. This is followed by the translation of the Galdrabók itself with copious explanatory notes. There are also a number of appendices which contain magical material from other Icelandic books of magic as well as spells from other Germanic areas.

In the past 31 years, there has been a lot of ink-actual and virtual-spilled on the subject of the Necronomicon. Some have derided it as a clumsy hoax; others have praised it as a powerful grimoire. As the decades have passed, more information has come to light both on the book's origins and discovery, and on the information contained within its pages. The Necronomicon has been found to contain formula for spiritual trans-formation, consistent with some of the most ancient mystical processes in the world, processes that were not public knowledge when the book was first published, processes that involve communion with the stars. In spite of all the controversy, the first edition sold out before it was published. And it has never been out of print since then. This year, the original designer of the 1977 edition and the original editor have joined forces to present a new, deluxe hardcover edition of the most feared, most reviled, and most desired occult book on the planet.
