Reproducibles That Help

Differentiating the Curriculum - Best Practice Resource

Description. This collection of 14 standards-based activities provides exactly the materials teachers need to differentiate math instruction for the range of learners in their classes. Every set of activities targets a specific skill at three levels-below-level, on-level, and above-level. The activity set begins with a reproducible data sheet that features a set of high-interest data, such as a frequency table of monthly pet store sales.
