Young Adult Fantasy/Romance for mature teens. Element Preservers series reading order: DANGEROUS (Book 1) RUNAWAY (Book 2) DIVIDED (Book 3) NO ONE (Book 3.5) RESTLESS (Book 4) Book 5 - coming soon

Ria is an eighteen-year-old girl who has just started going to the University of Magic, a special university for those who have one of the four elements: fire, water, air and earth. There she meets Michael, a boy whose element is different than hers which makes their romantic involvement seem impossible because mixing of elements can have horrible consequences. She also feels threatened by Adrian, a dangerous magic disease carrier. Ria's best friend, Paula, is fascinated by Adrian like most of the girls at the university and wants him to help her with her research about the disease. All Ria's beliefs are put to the test when she starts having the symptoms of the disease and the only person she can turn to is Adrian.

Being the president of the Element Preservers and going to university at the same time might be hard for Ria, especially when she isn't allowed to touch Adrian for most of the time. But when the government decides to use Ria as a distraction to pass a new law that many won't like, she has to find out what the government's true plan is before it's too late. Ethan, who pretends to be Ria's boyfriend and has his own agenda, certainly won't make things any easier for her. Book 4 in Element Preservers series. YA/NA Fantasy & Romance for mature teens. Warning: This is the book 3.5 in Element Preservers series and should be read after book 3 since it contains spoilers for the first three books in the series. The novella has approximately 18000 words (74 pages). Aware that Ria's condition is getting worse, Adrian is determined to do whatever it takes so he can touch her again without weakening her, and the only ones who might be able to help him are his greatest enemies. Haunted by the memories, he has to get the information he needs without putting his life in danger, but that is easier said than done... Especially if there is no one you can trust. Element Preservers series reading order: Dangerous (Book 1) Runaway (Book 2) Divided (Book 3) No One (Book 3.5) Restless (Book 4) Indestructible (Book 5)

Surprised by Adrian's sudden disappearance, Ria is determined to find him, even if that means she has to trust her brother and go to her father's party. However, soon she realizes that her father, as the president of the newly-founded Element Preservers Organization, plays a big role in the future of not only magic disease carriers, but also everyone with an element. As the secrets surrounding the magic disease and elements are revealed, Ria doesn't know who she can trust. But when an ex-lover turns into an enemy and a tragic accident changes everything, it's impossible to just run away. The second book in the Element Preservers series.
