A possible life-saving reference to keep around the house or in the car, DK's First Aid Manual looks at more than 100 different conditions, from splinters and sprained ankles to strokes and unconsciousness, and shows exactly what to do with step-by-step photographic sequences. Every condition is clearly explained, outlining causes, symptoms, and signs, and action plans. The updated design makes the instructions easier to follow, whether you need information on emergency first aid, first aid for babies and children, or tips on resuscitation. This ACEP First Aid Manual is an invaluable resource to keep you and your loved ones safe and healthy.

In partnership with Google, the most extensive and respected search engine on the Web, DK presents the E.encyclopedia, a revolutionary approach to children's reference publishing. A superbly illustrated general encyclopedia on the subjects children most want and need to learn about, the E.encyclopedia is classic DK-quality publishing paired with cutting-edge design. The E.encyclopedia includes nine thematic sections in the encyclopedia including space, earth, history and human body with coverage of over 600 subjects and links to over 1,000 approved sites plus sound buttons, virtual tours and live footage online. There's no need to be stuck with homework ever again.
