The Stephen King Theorist: Episode 22 - DREAMCATCHER! *ream Catcher A Memoir Margaret*

Most of the book is about the author, Margaret A. Salinger, J.D. Salinger's daughter. She had a brutal childhood but that seems to be the work of her mother, while her father was busy with his job in a building on the same remote property. The tone of the book as Margaret talks about dad gets very dark and ugly by the end.

A famously idiosyncratic recluse, few have come close enough to the author of the seminal CATCHER IN THE RYE to learn the truth behind the tales of his eccentricity. Margaret, his daughter, is one of those few. Offering a rare look into the man and the myth, her story chronicles a childhood of extreme isolation and early neglect, interwoven with times of laughter, joy and dazzling beauty.

DREAM CATCHER (get it --- "Catcher" in the title) grabs onto the myths about the famous man and rips them to shreds, for our own entertainment and Margaret's obvious attempts at sanity. If it takes you longer than an hour to finish this book, well, you're a big "phony," as Holden Caulfield would say. Reviewed by Jana Siciliano on September 6, 2000

👀👀

In her highly anticipated memoir, Margaret A. Salinger writes about life with her famously reclusive father, J.D. Salinger—offering a rare look into the man and the myth, what it is like to be his daughter, and the effect of such a charismatic figure on the girls and women closest to him. With generosity and insight, Ms. Salinger has written a book that is eloquent, spellbinding, and wise, yet at the same time retains the intimacy of a novel. Her story chronicles an almost cultlike environment of extreme isolation and early neglect interwoven with times of laughter, joy, and dazzling beauty. Compassionately exploring the complex dynamics of family relationships, her story is one that seeks to come to terms with the dark parts of her life that, quite literally, nearly killed her, and to pass on a life-affirming heritage to her own child. The story of being a Salinger is unique; the story of being a daughter is universal. This book appeals to anyone, J.D. Salinger fan or no, who has ever had to struggle to sort out who she really is from whom her parents dreamed she might be.

The daughter of J.D. Salinger offers a portrait of life with her reclusive father, providing a study of her complex family relationships.

NATIONAL BESTSELLER • The inspiration for the major motion picture Rebel in the Rye One of the most popular and mysterious figures in American literary history, the author of the classic Catcher in the Rye, J. D. Salinger eluded fans and journalists for most of his life. Now he is the subject of this definitive biography, which is filled with new information and revelations garnered from countless interviews, letters, and public records. Kenneth Slawenski explores Salinger’s privileged youth, long obscured by misrepresentation and rumor, revealing the brilliant, sarcastic, vulnerable son of a disapproving father and doting mother. Here too are accounts of Salinger’s first broken heart—after Eugene O’Neill’s daughter, Oona, left him—and the devastating World War II service that haunted him forever. J. D. Salinger features this author’s dramatic encounters with luminaries from Ernest Hemingway to Elia Kazan, his office intrigues with famous New Yorker editors and writers, and the stunning triumph of The Catcher in the Rye, which would both make him world-famous and hasten his retreat into the hills of New Hampshire. J. D. Salinger is this unique author’s unforgettable story in full—one that no lover of literature can afford to miss. Praise for J. D. Salinger: A Life “Startling . . . insightful . . . [a] terrific literary biography.”—USA Today “It is unlikely that any author will do a better job than Mr. Slawenski capturing the glory of Salinger’s life.”—The Wall Street Journal “Slawenski fills in a great deal and connects the dots assiduously; it’s unlikely that any future writer will uncover much more about Salinger than he has done.”—Boston Sunday Globe “Offers perhaps the best chance we have to get behind the myth and find the man.”—Newsday “[Slawenski has] greatly fleshed out and pinned down an elusive story with precision and grace.”—Chicago Sun-Times “Earnest, sympathetic and perceptive . . . [Slawenski] does an evocative job of tracing the evolution of Salinger’s work and thinking.”—The New York Times

New York Times bestselling author of Labor Day With a New Preface When it was first published in 1998, At Home in the World set off a furor in the literary world and beyond. Joyce Maynard's memoir broke a silence concerning her relationship—at age eighteen—with J.D. Salinger, the famously reclusive author of The Catcher in the Rye, then age fifty-three, who had read a story she wrote for The New York Times in her freshman year of college and sent her a letter that changed her life. Reviewers called her book “shameless” and “powerful” and its author was simultaneously reviled and cheered. With what some have viewed as shocking honesty, Maynard explores her coming of age in an alcoholic family, her mother’s dream to mold her into a writer, her self-imposed exile from the world of her peers when she left Yale to live with Salinger, and her struggle to reclaim her sense of self in the crushing aftermath of his dismissal of her not long after her nineteenth birthday. A quarter of a century later—having become a writer, survived the end of her marriage and the deaths of her parents, and with an eighteen-year-old daughter of her own—Maynard pays a visit to the man who broke her heart. The story she tells—of the girl she was and the woman she became—is at once devastating, inspiring, and triumphant.

A memoir of what it was like to be a teenager in a tumultuous era, from the New York Times–bestselling author of The Best of Us. Joyce Maynard was eighteen years old when her 1972 New York Times Magazine cover story catapulted her to national prominence. Published one year later, Looking Back is her remarkable follow-up—part memoir, part cultural history, and part social critique. She wrote about diving under her desk for air-raid practice during the Cuban Missile Crisis, the Beatles’ first appearance on The Ed Sullivan Show, and catching the first glimpse (on the cover of Life magazine) of a human fetus in utero. Extraordinarily frank, sincere, and opinionated, Maynard seemed unafraid to take on any subject—including herself. But as she reveals in a poignant and candid new foreword, she carefully kept her inner life off the page. She didn’t write about her difficult relationship with her mother, or her father’s alcoholism, or the fact that her best friend at college had struggled with the knowledge that he was gay. And she did not mention the most important part of her life at the time she was writing this book: her relationship with reclusive author J. D. Salinger, who read and corrected every page, even as he condemned her for writing it. In this special anniversary edition, Maynard’s candid introductory reflections on the girl behind the girl who wrote Looking Back lend a new dimension to this iconic analysis of a generation. This ebook features an illustrated biography of Joyce Maynard including rare photos from the author’s personal collection.

Based on eight years of exhaustive research and exclusive interviews with more than 200 people—and published in coordination with the international theatrical release of a major documentary film from the Weinstein Company—Salinger is a global cultural event: the definitive biography of one of the most beloved and mysterious figures of the twentieth century. For more than fifty years, the ever elusive author of The Catcher in the Rye has been the subject of a relentless stream of newspaper and magazine articles as well as several biographies. Yet all of these attempts have been hampered by a fundamental lack of access and by the persistent recycling of inaccurate information. Salinger remains, astonishingly, an enigma. The complex and contradictory human being behind the myth has never been revealed. No longer. In the eight years since Salinger was begun, and especially in the three years since Salinger’s death, the authors interviewed on five continents more than 200 people, many of whom had previously refused to go on the record about their relationship with Salinger. This oral biography offers direct eyewitness accounts from Salinger’s World War II brothers-in-arms, his family members, his close friends, his lovers, his classmates, his neighbors, his editors, his publishers, his New Yorker colleagues, and people with whom he had relationships that were secret even to his own family. Shields and Salerno illuminate most brightly the last fifty-six years of Salinger’s life: a period that, until now, had remained completely dark to biographers. Provided unprecedented access to never-before-published photographs (more than 100 throughout the book), diaries, letters, legal records, and secret documents, readers will feel they have, for the first time, gotten beyond Salinger’s meticulously built-up wall. The result is the definitive portrait of one of the most fascinating figures of the twentieth century.

TINKER BELL TALKS, Tales of a Pixie Dusted Life, is a memoir of Margaret Kerry and the magic of being Walt Disney's Tinker Bell a Hollywood kid-performer who turns into a Hollywood grown-up entertainer and story teller ... dozens of show-biz photos (including rare 'Little Rascals' images) along with unique art work to keep things even more interesting. The book is a dance through a life that's always been tempered with FAITH TRUST and PIXIE DUST! The book is divided into 6 parts (so the author could keep track). PART ONE: A child-actress at Warner Brothers, Hal Roach, MGM tap dancing acting growing up with a Hollywood Mother. PART TWO: An eager teenager in films on stage learning a cockamamie view of life at dance studios night clubs school. PART THREE: A happy-to-please teenager finding the way local and network TV shows RKO and Eddie Cantor and a new name. PART FOUR: Courtin' married on ABC-TV cast as Tinker Bell in Disney's Peter Pan Marc Davis Walt Disney Disneyland Traveling for Tink to London aboard the Disney Magic. PART FIVE: Cast as the Mermaid in Peter Pan 600 voice-over jobs for cartoons growing a family starting a riot on campus work with The 3 Stooges Andy Griffith George Clinton The Lone Ranger Public Relations exec. PART SIX: At USC KKLA 99.5 FM finding my family losing a husband and finding a new husband Tink's trips and stories then ... suddenly I'm 80 and attending a birthday bash!!

This first volume of Margaret Thatcher's memoirs encompasses the whole of her time as Prime Minister - the formation of her goals in the early 1980s, the Falklands, the General Election victories of 1983 and 1987 and, eventually, the circumstances of her fall from political power. She also gives frank accounts of her dealings with foreign statesmen and her own ministers.

This New York Times Notable memoir of a middle-class, middle-America family is a “beautiful bouquet of a book” (Entertainment Weekly). They say “a daughter is a daughter all her life,” and no statement could be truer for Patricia Hampl. Born to a Czech father—an artistic florist—and a wary Irish mother, Hampl experienced a childhood in St. Paul, Minnesota, that couldn’t have been more normal, the perfect example of a twentieth century middle-class, middle-American upbringing. But as she faces the death of her mother, Hampl reflects on the struggles her parents went through to provide that normal, boring existence, and her own struggles with fulfilling the role of dutiful daughter as she grew through the postwar years to the turbulent sixties and couldn’t help wanting to rebel against the notion of a “relentlessly modest life.” Named a Chicago Tribune Best Book of the Year, The Florist’s Daughter is Hampl’s most extraordinary work to date—a “quietly stunning” reminiscence of a Midwestern girlhood, and a reflection on what it means to be a daughter (People).

The daughter of J.D. Salinger offers a portrait of life with her reclusive father, providing a study of her complex family relationships.
