Steinbeck's only work of fantasy literature—in a deluxe edition with a foreword by Christopher Paolini, New York Times bestselling author of *Eragon*, *Eldest* and *Brisinger*. A Penguin Classic *Malory's Le Morte d'Arthur* was the first book that John Steinbeck truly enjoyed reading as a child. Fascinated by Arthurian tales of adventure, knighthood, honor and friendship, in addition to the challenging nuances of the original Anglo-Saxon language, Steinbeck set out to render these stories faithfully and with keen animation for a modern audience. Here then is Steinbeck's modernization of the adventure of King Arthur and the Knights of the Round Table, featuring the icons of Arthurian legend—including King Arthur, Merlin, Morgan le Fay, the incomparable Queen Guinevere, and Arthur's purest knight, Sir Lancelot of the Lake. These enduring tales of loyalty and betrayal in the time of Camelot flicker with the wonder and magic of an era past but not forgotten. Steinbeck's retelling will capture the attention and imagination of legions of Steinbeck fans, including those who love Arthurian romances, as well as countless readers of science fiction and fantasy literature. This edition features a new foreword by Christopher Paolini, author of the number-one New York Times bestselling novels *Eragon*, *Eldest*, and *Brisinger*. It also includes the letters John Steinbeck wrote to his literary agent, Elizabeth Otis, and to Chase Horton, the original editor of this volume. For more than seventy years,

Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Marcus Brutus, a Roman politician, considers Emperor Julius Caesar to be a friend, but a senator—Caius Cassius—convinces Brutus that Caesar has too much power. Brutus would rather Rome be a republic than an empire ruled by a tyrant, so he participates in a conspiracy to kill Caesar. Though Brutus believes his actions will benefit Rome, Caesar's murder brings about more bloodshed, including Brutus's own. The play examines friendship and patriotism, the succession of leadership, and the roles of fate and free will. Shakespeare wrote this drama, rooted in Roman history, in 1599; it was published in 1623, after Shakespeare's death. This is an unabridged edition of the tragic play.

The Philosophy of Composition Edgar Allan Poe "The Philosophy of Composition" is an essay by Edgar Allan Poe. Edgar Allan Poe (born Edgar Poe; January 19, 1809 - October 7, 1849) was an American author, poet, editor, and literary critic, considered part of the American Romantic Movement. Best known for his tales of mystery and the macabre, Poe was one of the earliest American practitioners of the short story, and is generally considered the inventor of the detective fiction genre. He is further credited with contributing to the emerging genre of science fiction. He was

the first well-known American writer to try to earn a living through writing alone, resulting in a financially difficult life and career. Born in Boston, he was the second child of two actors. His father abandoned the family in 1810, and his mother died the following year. Thus orphaned, the child was taken in by John and Frances Allan, of Richmond, Virginia. Although they never formally adopted him, Poe was with them well into young adulthood. Tension developed later as John Allan and Edgar repeatedly clashed over debts, including those incurred by gambling, and the cost of secondary education for the young man. Poe attended the University of Virginia for one semester but left due to lack of money. Poe quarreled with Allan over the funds for his education and enlisted in the Army in 1827 under an assumed name. It was at this time his publishing career began, albeit humbly, with an anonymous collection of poems, *Tamerlane and Other Poems* (1827), credited only to "a Bostonian." With the death of Frances Allan in 1829, Poe and Allan reached a temporary rapprochement. Later failing as an officer's cadet at West Point and declaring a firm wish to be a poet and writer, Poe parted ways with John Allan. Poe switched his focus to prose and spent the next several years working for literary journals and periodicals, becoming known for his own style of literary criticism. His work forced him to move among several cities, including Baltimore, Philadelphia, and New York City. We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work, which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original

works. To ensure a high quality product, each title has been meticulously hand curated by our staff. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. We hope that you will enjoy this wonderful classic work, and that for you it becomes an enriching experience.

Finalist for the 1988 Pulitzer Prize for Poetry A landmark collection by National Book Award-winning poet Lucille Clifton, *Good Woman: Poems and a Memoir 1969-1980* includes the four poetry collections that launched Clifton's career—*Good Times*, *Good News About the Earth*, *An Ordinary Woman*, and *Two-Headed Woman*—as well as her haunting prose memoir, *Generations*. In honor of the 30th anniversary of Lucille Clifton's Pulitzer Prize-nominated poetry collection and memoir, *Good Woman* is now available for the first time as a deluxe eBook edition. Enhanced with previously unpublished photographs from the Lucille Clifton Estate and a special foreword by Aracelis Girmay, this eBook is a must-have for longtime Clifton fans and newcomers alike.

A Modest Proposal Jonathan Swift - To ease poverty in Ireland by eating the children of the poor was the satirical 'solution' suggested by Jonathan Swift in his essay 'A Modest Proposal' (1729). Here Swift unleashes the full power of his ironic armoury and corrosive wit, finding his targets - the
