Elijah ' s Mermaid by Essie Fox Published by: Orion Available: May 2013 in Paperback/Hardback/eBook £ 12.99 Elijah ' s Mermaid was set in mid 19th Century London, England, where the setting is detailed as Victorian Gothic and bewitching; which I instantly noticed as the storyline progressed quickly. The story fixed on Pearl—an orphan raised in a brothel, and also focused on Lily and Elijah—twins, who live in the country with their grandfather, Augustus Lamb; a writer of fairytales.

Amazon.com: Elijah's Mermaid (9781409121206): Fox, Essie: Books ... I've always held a fascination for Victorian London underworld and Elijah's Mermaid didn't disappoint. I've taken a star off because I found Elijah's fascination with Pearl a little forced as I did the ending, which seemed just a tad too quick. ...

"Elijah's Mermaid" is harrowing in places, and the first person narration enhances the experience. Fox's characterisation is spot on. Lily's love for her brother, the urgency with which she tries to find him - all of it is real.

Elijah's Mermaid is told from the point-of-view of Pearl, the baby saved from death in the murky Thames, and Lily, herself saved from a Foundling home as a young child. The narrative captures the heart of a dark and dangerous Victorian London and by so doing, the heart of the reader too.

VICTORIAN NOVELS – ESSIE FOX
Fox ' s work has been likened to that of Sarah Waters, but Elijah ' s Mermaid is not as tightly told. The book loses concentration in places, meandering around the period setting Fox so clearly enjoys and thus crowding the end of the book with the plot ' s many otherwise clever twists.

REVIEW: ELIJAH'S MERMAID BY ESSIE FOX. Mar 2. Monique Mulligan. ELIJAH ' S MERMAID. Author: Essie Fox. Orion RRP \$29.99. Review: Monique Mulligan. Elijah ' s Mermaid has garnered some mixed reviews — I get the feeling reading them that it ' s one of those books you either like or not. The cover, blurb and words " gloriously gothic " each attracted my interest, so I was keen to give it a go. Elijah ' s Mermaid. Written by Essie Fox Review by Sally Zigmund. There is always a fear that an author ' s second novel will not live up to the first. I was very impressed with Essie Fox ' s debut, The Somnambulist, and have been eagerly awaiting the next. I should not have worried. Elijah ' s Mermaid is even better.

I wanted to love this as I'd enjoyed Essie Fox's last effort enormously. But blimey is it dull. How it can be described as similar to a Wilkie Collins story is beyond me. Possibly because there is NO story. It just drifts aimlessly from one plot point to another. And why it's called "Elijah's Mermaid" I have no idea.
