SPECIAL FEATURES Tips and Tricks Students have found the tips and tricks to be helpful and memorable, and they have also found that they add interest and excitement to their math studies. Speech Bubbles with Teacher Insights Speech bubbles are used

File Type PDF Equations Answer Key

to provide guidance, point out insights, or give helpful hints as students are solving math problems. Students learn best by doing, and the instruction given in the speech bubbles is designed to (1) sharpen students' powers of observation, (2) increase number

File Type PDF Equations Answer Key

sense, and (3) instruct in digestible chunks. Simplicity of Instruction Every page (excluding review pages or quizzes) has a specific focus. Most pages have generous amounts of white space to keep students focused.

Movement is from the simple to

File Type PDF Equations Answer Key

the increasingly complex. Step-By-Step Procedures Students learn best when given explicit, step-by-step instruction. When several steps are involved, the steps are numbered. This makes learning much more logical and memorable. Logical-Sequential Instruction

File Type PDF Equations Answer Key

Carefully designed problems are presented in a logical sequence, so that previous answers contribute to students' abilities to solve future problems. The order in which math problems are presented is critical to promoting number sense. This edition comes
