The #1 New York Times bestseller about one woman's doomed quest for self-improvement by a writer "blessed with the comic equivalent of perfect pitch" (The Boston Globe). As far as Erma can tell, her life is going well. Her children speak to her, her husband smiles at her, and she's capable of looking in a mirror without screaming. But her friends know better. No matter how happy Erma thinks she is, she's in need of help, and the only way to fulfillment is a ten-foot stack of self-improvement books. From Sensual Needlepoint to Fear of Buying, Erma will try them all. One book recommends bringing roleplay into the bedroom, so she dresses up in her son's football pads. She tries to meditate but gets stuck in the lotus position. She spends more time in the kitchen but only succeeds in melting her son's retainer. No matter how hard she tries to improve her family life, her schemes keep backfiring. As she soon learns, you may not always be able to fix what's not broken—but with enough self-help books, you can break anything you want. This ebook features an illustrated biography of Erma Bombeck including rare images and never-before-seen documents from the author's estate.

Produced by co-founder Nader and director Ditlow for the non-profit Center for Auto Safety, this is a consumer's guide to the purchase, maintenance, and repair of new or used cars, and to the laws that protect purchasers. Distributed by Rizzoli. Annotation copyrighted by Book News, Inc., Portland, OR

These puzzles are so good they've earned the seal of approval from the NAVH (National Association for the Visually Handicapped). Now crossword lovers with less than perfect sight can enjoy their favorite pastime. Each of these puzzles-125 in each book-takes up two full pages, and has large word type and generously sized grids with easy-to-see numbering. They challenge the brain, not the eyes.

No institution is as critically important to America's security. No American institution is as controversial. And, after the White House, Congress, and the Supreme Court, no institution is as powerful. Yet until now, no book has presented the full story of the FBI from its beginnings in 1908 to the present... The Bureau The Secret History of the FBI Based on exclusive interviews-including the first interview with Robert Mueller since his nomination as director-The Bureau reveals why the FBI was unprepared for the attacks of September 11 and how the FBI is combating terrorism today. The book answers such questions as: Why did the FBI know nothing useful about al-Qaeda before September 11? What is really behind the FBI's more aggressive investigative approaches that have raised civil liberties concerns? What does the FBI think of improvements in airline security? How safe does the FBI think America really is? An Award-winning investigative reporter and New York Times bestselling author of Inside the White House, Ronald Kessler answers these questions and presents the definitive history of the Federal Bureau of Investigation. The Bureau reveals startling new information-from J. Edgar Hoover's blackmailing of Congress to the investigation of the September 11th attacks.

Frank McCourt's glorious childhood memoir, *Angela's Ashes*, has been loved and celebrated by readers everywhere for its spirit, its wit and its profound humanity. A tale of redemption, in which storytelling itself is the source of salvation, it won the National Book Critics Circle Award, the Los Angeles Times Book Award and the Pulitzer Prize. Rarely has a book so swiftly found its place on the literary landscape. And now we have *'Tis*, the story of Frank's American journey from impoverished immigrant to brilliant teacher and raconteur. Frank lands in New York at age nineteen, in the company of a priest he meets on the boat. He gets a job at the Biltmore Hotel, where he immediately encounters the vivid hierarchies of this "classless country," and then is drafted into the army and is sent to Germany to train dogs and type reports. It is Frank's incomparable voice -- his uncanny humor and his astonishing ear for dialogue -- that renders these experiences spellbinding. When Frank returns to America in 1953, he works on the docks, always resisting what everyone tells him, that men and women who have dreamed and toiled for years to get to America should "stick to their own kind" once they arrive. Somehow, Frank knows that he should be getting an education, and though he left school at fourteen, he talks his way into New York University. There, he falls in love with the quintessential Yankee, long-legged and blonde, and tries to live his dream. But it is not until he starts to teach -- and to write -- that Frank finds his place in the world. The same vulnerable but invincible spirit that captured the hearts of readers in *Angela's Ashes* comes of age. As Malcolm Jones said in his Newsweek review of *Angela's Ashes*, "It is only the best storyteller who can so beguile his readers that he leaves them wanting more when he is done...and McCourt proves himself one of the very best." Frank McCourt's *'Tis* is one of the most eagerly awaited books of

our time, and it is a masterpiece.

American journalist Norman Clay's assignment in Mexico leads him to uncover his fascinating Mexican ancestry, set against the backdrop of 1,500 years of the country's history

Before Jack Kerouac expressed the spirit of a generation in his 1957 classic, *On the Road*, he spent years figuring out how he wanted to live and, above all, learning how to write. *Atop an Underwood* brings together more than sixty previously unpublished works that Kerouac wrote before he was twenty-two, ranging from stories and poems to plays and parts of novels, including an excerpt from his 1943 merchant marine novel, *The Sea Is My Brother*. These writings reveal what Kerouac was thinking, doing, and dreaming during his formative years, and reflect his primary literary influences. Readers will also find in these works the source of Kerouac's spontaneous prose style. Uncovering a fascinating missing link in Kerouac's development as a writer, *Atop an Underwood* is essential reading for Kerouac fans, scholars, and critics.
