The laws relating to anti-doping change rapidly, and the World Anti-Doping Code has been at the centre of significant developments in this area over the last ten years. Since the first edition of this guide, the amended 2009 Code has come into effect and been applied in various decisions before national sporting tribunals and the Court of Arbitration for Sport. This second edition covers the significant changes introduced by the 2009 Code. More than forty summaries of recent cases illustrate the operation of the key provisions of the 2009 Code, in particular the articles relating to anti-doping rule violations and sanctions.

Taking a fresh approach to fantasy sports, this guide covers strategies and techniques both unique to specific sports, and trends applicable to all sports, while providing tips to help the casual player get the most out of every game.

The second edition of *How to Become a Football Agent: The Guide* is full of unique insights, information and advice. With a foreword written by football legend, Robert Pires, and insights from agents representing elite footballing talent, this book encapsulates all the necessary guidance for those wanting to get into the industry.

Will it come to a showdown between defending champions Team Japan and powerhouse Team USA, two-time World Cup winners and gold medalists at the 2012 Olympic Games?
