Twenty years after his iconic memoir Losing My Virginit, the world 's ultimate entrepreneur is back with the rest of the story. Richard Branson 's Losing My Virginit shared the outrageous tale of how he built Virgin from a student magazine into one of the greatest brands in history. No challenge was too daunting, no opportunity too outlandish to pursue. And each new adventure started with five simple words: " Screw it, let 's do it. " Now, fifty years after starting his first business, Branson shares the candid details of a lifetime of triumphs and failures and what he really thinks about his unique life and career. Finding My Virginit is an intimate look at his never-ending quest to push boundaries, break rules, and seek new frontiers—even after launching a dozen billion-dollar businesses and hundreds of other companies. As he led Virgin into the new millennium, Branson fearlessly expanded the brand into new categories such as mobile, media, fitness, and banking and into every corner of the globe—all while preserving its iconoclastic, scrappy spirit. He even brought Virgin into space with Virgin Galactic, the world 's first commercial spaceine. Finding My Virginit takes us behind the scenes of the incredible brains, heart, and sacrifices that have gone into making private spaceflight an imminent reality—even after the biggest crisis Branson has ever faced. But this book is much more than a series of business adventures. It 's also the story of Branson 's evolution from hotshot entrepreneur to passionate philanthropist and public servant, via Virgin Unite 's environmental and health initiatives and through the Elders, a council of influential global leaders. And it 's the story of his personal quest to become a better son, husband, father, and " grand-dude " to his four grandchildren. Featuring a supporting cast that includes everyone from Bill Gates to Kate Moss, Nelson Mandela to Barack Obama, this is the gripping account of a man who will never stop reaching for the stars, in more ways than one. Find out how Branson did it for the first time—all over again.

Sir Richard Branson 's amazing memoir is now updated to include the effect on the Virgin Group of 11 September, his views on the war in Iraq, the rise of Virgin Blue and the flotation of Virgin Mobile. Discover how Virgin is moving into the US domestic flight market and why he set up the charitable body " Virgin Unite ". As ever, his thirst for challenge is unquenched. Sir Richard reveals the thrills of the world record attempt with the Virgin Atlantic Global Flyer and taking Virgin to the final frontier as Virgin Galactic are poised for a new era of commercial space travel. Compelling. Brilliant. Revealing. Funny. Inspirational. Extraordinary.Revealing Sir Richard 's unique story, his personal philosophy on life, the Virgin brand and business Losing My Virginit is an autobiography without equal.

' Branson has a list of achievements unmatched by any other UK businessman. For anyone burning with entrepreneurial zeal, his reminiscences are akin to a sacred text. " Mail on Sunday THE NO.1 INTERNATIONAL BESTSELLER The worldwide bestselling autobiography of iconic entrepreneur Sir Richard Branson, with over two million copies sold to date. Much more than a memoir, this is Sir Richard Branson 's own take on his extraordinary life so far – and a definitive business guide that reveals his unique philosophy of commerce, success and life. This is the true account of how the Virgin Founder reinvented himself and his brand for the 21st century, while continuing to push boundaries, break rules and reach for the stars in more ways than one. This is the story of the man behind the beard, the business, the bravado and the brand. Find out how the ultimate entrepreneur did it for the first time - all over again.

This is a book on leadership from someone who has never read a book on leadership in his life. While building the Virgin Group over the course of forty years, Richard Branson has never shied away from tackling seemingly outlandish challenges that others (including his own colleagues on many occasions) considered sheer lunacy. He has taken on giants like British Airways and won, and monsters like Coca-Cola and lost. Now Branson gives an inside look at his strikingly different, swashbuckling style of leadership. Learn how fun, family, passion, and the dying art of listening are key components to what his extended family of employees around the world has always dubbed (with a wink) "the Virgin Way." This unique perspective comes from a man who dropped out of school at sixteen, suffers from dyslexia, and has never worked for anyone but himself. He may be famous for thinking outside the box--an expression he despises--but Branson asserts that "you'll never have to think outside the box if you refuse to let anyone build one around you."

Looking for advice on setting up your own company, improving your career prospects, or developing your leadership skills? Why not ask Richard Branson? In Like a Virgin: Secrets They Won't Teach You in Business School, Richard distils and shares the wisdom and experience that have made him one of the world's most recognised and respected entrepreneurs. From his 'Top 5 secrets of Business Success', to hard hitting discussions about the global financial crisis, this book brings together his best advice on all things business. It's business school, the Branson way.

"The brave may not live forever-but the cautious do not live at all!"- Sir Richard Branson Richard Branson is an iconic entrepreneur and the founder of Virgin Airways, Virgin Records, and many other Virgin businesses around the world. Now he shares the inside track on his life in business and reveals the incredible truth about his most risky, brilliant, and audacious deals. Combining invaluable advice with remarkable, and candid stories of Virgin's greatest achievements, as well as some of its setbacks, this is a dynamic, inspirational, and truly original guide. Whether you are an executive, an entrepreneur, or are just starting out, Branson strips business down to show how you can succeed and make a difference.

From the trailblazing founder and CEO of the Virgin Group, a powerful argument for using business to make a positive impact in the world. Richard Branson, one of the world 's most famous and admired business leaders, argues that it 's time to turn capitalism upside down—to shift our values from an exclusive focus on profit to also caring for people, communities and the planet. As he writes, " My message is a simple one: business as usual isn 't working. In fact, it 's ' business as usual " that 's wrecking our planet. Resources are being used up; the air, the sea, the land—are all heavily polluted. The poor are getting poorer. Many are dying of starvation or because they can 't afford a dollar a day for life-saving medicine. . . . Propheying doom and gloom is simply not my style. . . . I think business can help fix things and create a more prosperous world for everyone. I happen to believe in business because I believe that business can be a force for good. By that I mean doing good is good for business. " Screw Business as Usual shows how easy it is for both businesses and individuals to embark on a whole new way of doing things, solving major problems and turning our work into something we both love and are proud of.

One of the world's most famous business leaders (and a well-known avian fanatic) explores the pioneers of flight. Bestselling author and billionaire entrepreneur Sir Richard Branson has always been obsessed with the skies. To promote a new Virgin Airlines route, he became the first man to water ski behind a blimp. His Virgin Galactic venture will soon offer ordinary people the opportunity to experience spaceflight aboard the first commercial spaceiner, SpaceShipTwo. In Reach for the Skies, Branson examines the history of aviation over the last two hundred years, putting the spotlight on trailblazers such as: "Tony Januss, who made the first ever commercial flight over Tampa Bay, Florida, in 1914. "Leo Valentin, the "bird man" who jumped from 9,000 feet wearing a pair of wooden wings in the 1950s. "Steve Fossett, who broke 130 world records in planes, balloons, and airships. The pioneers of flight—not just the world-famous Wright Brothers, but also lesser known visionaries and dreamers-made it possible for any of us with the desire and the commitment to reach for the skies ourselves.
