complete eBook, Study Center, homework and Assessment Center, a dashboard that reports actionable data and TestPrep. The fourth edition of Fire Officer: Principles and Practice was significantly updated and reorganized to

# Read Book Fire Officer

better serve the Fire Officer I and Fire Officer II. The content meets and exceeds the job performance requirements for Fire Officer I and II in the 2020 Edition of NFPA 1021, Standard for Fire Officer Professional Qualifications. The new edition places

# Read Book Fire Officer

an emphasis on the application of leadership traits and management theories, common leadership and management challenges, and how leadership is used to meet objectives. The basic principles and methods of Community Risk Reduction are also

# Read Book Fire Officer

discussed. In addition, the program now has two distinct sections: Section One includes eight chapters, which set the foundation for Fire Officer I knowledge and understanding. Section Two comprises six chapters, which

# Read Book Fire Officer

encompass the  
higher level  
competencies  
required for Fire  
Officer II. This new  
organization will  
allow you the  
flexibility to teach  
your Fire Officer I  
and II course(s)  
exactly the way you  
wish.
