This highly accessible, manageable program is user-friendly for instructors, teaching assistants, and students. Known for its succinct and precise grammar explanations, its presentation of high-frequency and practical vocabulary, and its overall flexibility, HOLA, AMIGOS! continues to maintain its appeal with instructors regardless of their preferred methodology. The program is designed to develop students' ability to communicate effectively in Spanish in a variety of situations as well as to strengthen cultural awareness and competence. It offers a full scope and sequence, yet is brief enough to be used effectively for a two-semester course. The eighth edition features an enhanced integration and presentation of culture and new and exciting technology components. All components are fully integrated with the flexibility to accommodate a range of scheduling factors, contact hours, course objectives, and ability levels. set to music, anthologized. Perhaps, with the present collection, Lucia Berlin will begin to gain the attention she deserves." -Lydia Davis

A MANUAL FOR CLEANING WOMEN compiles the best work of the legendary short-story writer Lucia Berlin. With the grit of Raymond Carver, the humor of Grace Paley, and a blend of wit and melancholy all her own, Berlin crafts miracles from the everyday, uncovering moments of grace in the Laundromats and halfway houses of the American Southwest, in the homes of the Bay Area upper class, among switchboard operators and struggling mothers, hitchhikers and bad Christians. Readers will revel in this remarkable collection from a master of the form and wonder how they'd ever overlooked her in the first place.

In the same right-to-the-point, no-nonsense style that was a hallmark of Positioning, this sequel squares off against critical marketing challenges such as how to make sure your message gets through in an era of information overload.

Traffic Safety applies the methods of science to better understand one of the world's major problems -- harm in road traffic.

An introduction to marketing concepts, strategies and practices with a balance of depth of coverage and ease of learning. Principles of Marketing keeps pace with a rapidly changing field, focussing on the ways brands create and capture consumer value. Practical content and linkage are at the heart of this edition. Real local and international examples bring ideas to life and new feature 'linking the concepts' helps students test and consolidate understanding as they go. The latest
