Novelist, poet, and playwright Thomas Bernhard is one of the great German-language writers of the latter half of the 20th century. His work is often described as acerbic, misanthropic, and unrelenting. Influenced by Kafka and Wittgenstein, Bernhard's novels unfold without paragraphs in intricately patterned musical motifs.

Visceral, raw, singular, and distinctive, Frost is the story of a friendship between a young man at the beginning of his medical career and a painter who is entering his final days. A writer of world stature, Thomas Bernhard combined a searing wit and an unwavering gaze into the human condition. Frost follows an unnamed young Austrian who accepts an unusual assignment. Rather than continue with his medical studies, he travels to a bleak mining town in the back of beyond, in order to clinically observe the aged painter, Strauch, who happens to be the brother of this young man's surgical mentor. The catch is this: Strauch must not know the young man's true occupation or the reason for his arrival. Posing as a promising law student with a love of Henry James, the young man befriends the mad artist and is caught up among an equally extraordinary cast of local characters, from his resentful landlady to the town's mining engineers. This debut novel by Thomas Bernhard, which came out in German in 1963 and is now being published in English for the first time, marks the beginning of what was one of the twentieth century's most powerful, provocative literary careers.

At the behest of his surgical mentor, a young Austrian medical student poses as a law student to journey to a remote mining town in order to observe Strauch, an aging painter and brother of his mentor, without letting Strauch know his true occupation, and becomes caught up in the lives of the mad artist and a colorful assortment of local characters,

in the first English edition of the author's debut novel.

Ein Medizinstudent nimmt den Auftrag an, den Kunstmaler Strauch zu beobachten, der sich in das Gebirgsdorf Weng zurückgezogen hat. In seinen Aufzeichnungen hält er die Monologe und Visionen Strauchs fest, bis er entdeckt, daß diese Begegnung, die er bewältigen zu können glaubte, ihn selbst überwältigt.

The narrator, a scientist working on antibodies and suffering from emotional and mental illness, meets a Persian woman, the companion of a Swiss engineer, at an office in rural Austria. For the scientist, his endless talks with the strange Asian woman mean release from his condition, but for the Persian woman, as her own circumstances deteriorate, there is only one answer. "Thomas Bernhard was one of the few major writers of the second half of this century."—Gabriel Josipovici, *Independent* "With his death, European letters lost one of its most perceptive, uncompromising voices since the war."—*Spectator* Widely acclaimed as a novelist, playwright, and poet, Thomas Bernhard (1931-89) won many of the most prestigious literary prizes of Europe, including the Austrian State Prize, the Bremen and Brüchner prizes, and Le Prix Séguier.

Thomas Bernhard was one of the most original writers of the twentieth century. His formal innovation ranks with Beckett and Kafka, his outrageously cantankerous voice recalls Dostoevsky, but his gift for lacerating, lyrical, provocative prose is incomparably his own. One of Bernhard's most acclaimed novels, *The Loser* centers on a fictional relationship between piano virtuoso Glenn Gould and two of his fellow students who feel compelled to renounce their musical ambitions in the face of Gould's incomparable genius.

Acces PDF Frost Thomas Bernhard

One commits suicide, while the other-- the obsessive, witty, and self-mocking narrator-- has retreated into obscurity. Written as a monologue in one remarkable unbroken paragraph, *The Loser* is a brilliant meditation on success, failure, genius, and fame.

Fiercely observed, often hilarious, and “reminiscent of Ibsen and Strindberg” (The New York Times Book Review), this exquisitely controversial novel was initially banned in its author’s homeland. A searing portrayal of Vienna’s bourgeoisie, it begins with the arrival of an unnamed writer at an ‘artistic dinner’ hosted by a composer and his society wife—a couple he once admired and has come to loathe. The guest of honor, a distinguished actor from the Burgtheater, is late. As the other guests wait impatiently, they are seen through the critical eye of the writer, who narrates a silent but frenzied tirade against these former friends, most of whom have been brought together by Joana, a woman they buried earlier that day. Reflections on Joana’s life and suicide are mixed with these denunciations until the famous actor arrives, bringing an explosive end to the evening that even the writer could not have seen coming.

It is 1967. In separate wings of a Viennese hospital, two men lie bedridden. The narrator, named Thomas Bernhard, is stricken with a lung ailment; his friend Paul, nephew of the celebrated philosopher Ludwig Wittgenstein, is suffering from one of his periodic bouts of madness. As their once-casual friendship quickens, these two eccentric men begin to discover in each other a possible antidote to their feelings of hopelessness and mortality—a spiritual symmetry forged by their shared passion for music, strange sense of humor, disgust for bourgeois Vienna, and great fear in the face of death. Part memoir, part fiction, Wittgenstein’s Nephew is

both a meditation on the artist's struggle to maintain a solid foothold in a world gone incomprehensibly askew, and a stunning—if not haunting—eulogy to a real-life friendship.

Thomas Bernhard (1931-1989), a literary figure of international acclaim and arguably Austria's greatest post-World War II writer, became the first of his generation to expose unrelentingly his country's pathological denial of complicity in the Holocaust. Bernhard's writings and indeed his own biography reflect Austria's fraught efforts to define itself as a nation following the collapse of the Habsburg monarchy and the trauma of World War II. Repeatedly he scandalized the nation with novels, plays, and public statements that exposed the convoluted ways Austrians were attempting to come to terms with their Nazi past--or defiantly avoiding doing so. This book, the first comprehensive biography of Thomas Bernhard in English, examines his life and work and their intricate relationship to Austria's geographical, political, and cultural transformations in the twentieth century. While Bernhard was the scourge of his native culture, Honegger explains, he was also a product of that same culture. Appreciation of his controversial impact on his society is possible only through an understanding of the contradictions, the shame, and the achievements that mark Austrians' self-perception in the postwar years. Honegger shows that for Bernhard the theater was not only a profession but also a paradigm for his life, and that performance was the primary force animating his writing and self-construction. Even after his death, Bernhard's carefully constructed biography continues to fascinate, shock, and expose the Austrian culture at large.

The author chronicles his early life in this account of growing up, an unwanted child, in Austria, from the terrors of the
