Cut off roots with a paring knife. Cut a 3-inch piece from each stalk, leaving about 1-1/2 inches of both the white and green portions. Make lengthwise cuts in the green portion, repeating to slice the green end into thin slivers. Place onion in cold water, and let stand 30 seconds or until ends curl slightly.

The answer lies in the
word's Anglo-French root,
garnir, which means "to warn
or to equip." Before wages
were garnished, the debtor
would be served with a legal
summons or warning. The
legal sense of "garnish" now
focuses on the taking of the
wages, but it is rooted in
the action of furnishing the
warning. Examples of garnish
