Cambridge O Level English is interlinked with real English. You need to be a good writer to get an A*. You might be able to get away with an A with a bad Paper 1, but for an A*, you definitely need to be good in writing. Of course, you can't account for stuff like writer's block happening in the paper, that's sheer bad luck.

It is estimated that "e:the number of native English speakers is 300 million to 450 million."e: More than one billion people are believed to speak some form of English. Although the numbers vary, it is widely accepted that hundreds of millions of people around the world speak English, whether as a native, second or a foreign language. English, in some form, has become the native or unofficial language of a majority of the countries around the world today. "e:In 20 to 30 countries around the world, English is merging with native languages to create hybrid Englishes."e: This comprehensive study of introducing Global Englishes indented to be useful and popular among students because of the simplicity and directness of explanations of the various terms and concepts, its wealth of illustrative examples enables the reader to assimilate the content without being intimidated by its range and scope. Written in a very careful manner keeping in view of the course requirements it is aimed at familiarising students with the vibrant currents of thought that have enriched the literary enterprise of our time.

Taking a decision about your future is not very simple, it requires intensive research and some strong decision making skills. Am I choosing the right course, will I get a job after I graduate, should I do what I love doing, will I be able to manage my budgets? These questions are always relevant to students who are planning to pursue their higher education and easyuni's guidebook is an attempt to answer a few of these questions. This guidebook is another step forward to improve the entire experience of university selection and application. The guidebook is an attempt to answer questions of millions of students who are eligible for enrollment in higher education institutes in 2013-2014. The guidebook consists of 80 pages of educational content, including articles on studying abroad, choosing and applying for universities, what to study, and scholarships & loans among others. The articles also focus heavily on the seven most popular subjects, namely Engineering, Medicine, Information Technology, Science, Arts and Creative Design, and Business and Accounting.
