A delightful adveture full of humor and heart set in Elizabethan England! Widge is an orphan with a rare talent for shorthand. His fearsome master has just one demand: steal Shakespeare's play "Hamlet"--or else. Widge has no choice but to follow orders, so he works his way into the heart of the Globe Theatre, where Shakespeare's players perform. As full of twists and turns as a London alleyway, this entertaining novel is rich in period details, colorful characters, villainy, and drama. * "A fast-moving historical novel that introduces an important era with casual familiarity." --School Library Journal, starred review "Readers will find much to like in Widge, and plenty to enjoy in this gleeful romp through olde England" --Kirkus Reviews "Excels in the lively depictions of Elizabethan stagecraft and street life." --Publishers Weekly An ALA Notable Book

This pack consists of the Student's Book and Workbook without answers, providing all the student's material in one place. The Student's Book fully prepares students to tackle each part of every exam paper. Grammar and vocabulary exercises train students to avoid common mistakes. The CD-ROM supports mixed ability focusing on students' own particular areas of difficulty. The Workbook consolidates and extends the language covered in the Student's Book and includes an Audio CD. Class Audio CDs, available separately, contain the recordings for the listening exercises in the Student's Book. A full practice test is available online for teachers to access.

Critical Approaches to Shakespeare: Shakespeare for All Time constituye la materia de la asignatura La Recepción Crítica del Teatro de Shakespeare, del Grado en Estudios Ingleses de la UNED. Los principales objetivos que persigue este volumen son ofrecer al alumno interesado en la obra de William Shakespeare una amplia visión de la recepción crítica de su obra desde el siglo XVII hasta nuestros días y adentrarlo en el mundo shakespeariano a través del análisis pormenorizado de dos de sus mejores tragedias: Hamlet y Macbeth. Los dos primeros temas están exclusivamente dedicados a los

distintos enfoques que a lo largo de los siglos ha recibido la producción de Shakespeare. Este libro nos hace ver cómo la recepción de las obras ha variado de forma muy significativa a lo largo de la historia. Tras la descripción de las características de cada una de las corrientes críticas y de sus representantes más significativos, la sección denominada «Selection of Texts» ofrece al alumno una visión práctica sobre qué terminología crítica se ha utilizado para interpretar determinadas obras de Shakespeare según las épocas y cuáles son los elementos que cada crítico destaca de cada obra en función de su propia visión sobre la literatura. Los dos temas siguientes se centran en el estudio detallado de Hamlet y Macbeth. En dichos estudios se plantean los contextos históricos y literarios de cada una de las obras, sus fuentes principales, la importancia de la manipulación de dichas fuentes y la recepción crítica de las obras. En la sección sobre este último punto se seleccionarán textos críticos con puntos de vista sobre las obras muy diversos y, a veces, radicalmente opuestos para ejemplificar, una vez más, cómo la interpretación que se da de cada una de ellas va transformándose según el lector y su época. Por último, se dedica una sección a analizar en profundidad el lenguaje utilizado en cada una de las obras. Para el estudio de este apartado será fundamental un gran dominio de la obra en cuestión por lo que la lectura atenta, tanto de Hamlet como de Macbeth, es un requisito imprescindible para la correcta asimilación del contenido de los dos últimos temas de este libro.

I want to know what the other trees know Go where the other trees go Where do they go? Writer Hannah Khalil collaborates with Shakespeare's Globe in London in this magical re-imagining and re-wilding of Hans Christian Andersen's classic fairy tale The Fir Tree. Written for just four actors this inventive and dynamic adaptation harnesses all of the joy of the Christmas season and reminds us that we can all make a difference in taking care of our planet. Music, song and storytelling combine in this accessible and enchanting adaptation that is suitable for families and young people to perform and read together in a story of hope. This edition was published to coincide with the premiere at the Globe Theatre, London, in December 2021.

A comprehensive and accessible introduction to statistics in corpus linguistics, covering multiple techniques of quantitative language analysis and data visualisation.

Complete First for Schools is official preparation for the revised 2015 Cambridge English: First (FCE) for Schools exam.
