"One of the best-loved scriptures

Where To Download God Talks With Arjuna The

In the world, the Bhagavad Gita has been translated by many scholars and poets over thousands of years. This new version, rendered in modern english prose by Swami Kriyananda, is based on the interpretations of his Guru, Paramhansa Yogananda, author of Autobiography of a Yogi." "The Gita is the heroic story of the battlefield counsel given by Krishna to Arjuna just prior to the start of a great war. Responding to Arjuna's moral dilemma over fighting against his beloved friends, family, and teachers, Krishna advises Arjuna on his duties as a warrior. Yogananda's insights reveal that The Gita is in fact a spiritual allegory, and that each character in the story

Where To Download God Talks With Arjuna The

symbolizes psychological traits and aspects of our own consciousness. As Arjuna looks upon the warriors on the battlefield, he is really facing his own inner battle between the forces of delusion and the forces of Spirit within. Krishna's advice to Arjuna on how to win the battle - using yogic tools of devotion, selfless service, and spiritual discrimination - gives each of us the guidance we need to move forward in dharma (right-action) in every material or spiritual test that life may bring."--BOOK JACKET.

Paramahansa Yogananda presents an illuminating explanation of Lord Krishna's sublime Yoga message that he

Prached to the world - the way of right activity and meditation for divine communion.

Commentary on 'The Bhagavad Geeta' by Swami Mukundananda

Religion or faith in fundamental principles is the foundation upon which the edifice of reasoning or science is built upon. While it is a religion that binds us into courses of action consistent with those fundamental principles, it is a science that enables us to stay clear of inconsistent systems of guiding principles and to practically attain the goals posited by our principles. The Science of Religion by Paramahansa Yogananda arrives by analysis at inner happiness or

Where To Download God Talks With Arjuna The Bliss as the goal that binds all men. Paramahansa Yogananda

"Contains selected excerpts from Paramahansa Yogananda's book "The Second Coming of Christ: The Resurrection of the Christ Within You," which book is a commentary on the New Testament gospels and noncanonical source material, focusing on the quest to uncover the original teachings of Jesus"--Provided by publisher.

For centuries, readers have

Where To Download God Talks With Arjuna The

turned to the Bhagavad Gita for inspiration and guidance as they chart their own spiritual paths. As profound and powerful as this classic text has been for generations of seekers, integrating its lessons into the ordinary patterns of our lives can ultimately seem beyond our reach. Now, in a fascinating series of reflections, anecdotes, stories, and exercises, Ram Dass gives us a unique and accessible road map for experiencing divinity in everyday life. In the engaging, conversational style that has made his teachings so popular for decades, Ram Dass traces our journey of consciousness as it is reflected in one of Hinduism's most sacred texts. The Gita teaches a system of yogas, or

Where To Download God Talks With Arjuna The

“paths for coming to union with God.” In Paths to God, Ram Dass brings the heart of that system to light for a Western audience and translates the Gita’s principles into the manual for living the yoga of contemporary life. While being a guide to the wisdom of the Bhagavad Gita, Paths to God is also a template for expanding our definition of ourselves and allowing us to appreciate a new level of meaning in our lives.
