With your guidance, students will internalize four strategies that all good readers use: Predict □ what do you think will happen next? Clarify □ what part gave you a hard time?

Guided Reading Strategies - TeamTom Education

The question-answer relationship (QAR) strategy helps students understand the different types of questions. By learning that the answers to some questions are "Right There" in the text, that some answers require a reader to "Think and Search," and that some answers can only be answered "On My Own," students recognize that they must first consider the question before developing an answer.
