It tells the stories of six survivors of the atomic bomb dropped on Hiroshima. It is regarded as one of the earliest examples of the New Journalism, in which the story-telling techniques of fiction are adapted to non-fiction reporting. The work was originally published in The New Yorker, which had planned to run it over four issues but instead dedicated the entire edition of August 31, 1946, to a single article.~~

Hiroshima (book) - Wikipedia

On August 6, 1945, Hiroshima was destroyed by the first atom bomb ever dropped on a city. This book, John Hersey's journalistic masterpiece, tells what happened on that day. Told through the memories of survivors, this timeless, powerful and compassionate document has become a classic "that stirs the conscience of humanity" (The New York Times).
