This Student Book is written specifically for the HNC in Social Care! The six mandatory units and three SVQ units are covered, giving students all they require in one book. Written by an experienced Scottish author team with knowledge in delivering the course, so you can be sure it fits your needs. Focuses on supporting students with completing the graded unit, as well as general research and study skills, including how to 'analyse' and 'critically evaluate'. Provides working understanding of current Scottish legislation, policy, procedures and practice methods is also provided.

Festival and Events Management: an international perspective is a unique text looking at the central role of events management in the cultural, tourism and arts industries. With international contributions from industry and academia, the text looks at the following: * Events & cultural environments * Managing the arts & leisure experience * Marketing, policies and strategies of art and leisure management Chapters include exercises, and additional teaching materials and solutions to questions are provided as part of an accompanying online resource.

Thirty years after its publication, The Death and Life of Great American Cities was described by The New York Times as "perhaps the most influential single work in the history of town planning...[It] can also be seen in a much larger context. It is first of all a work of literature; the descriptions of street life as a kind of ballet and the biting satiric account of traditional planning theory can still be read for pleasure even by those who long ago absorbed and appropriated the book's arguments." Jane Jacobs, an editor and writer on architecture in New York City in the early sixties, argued that urban diversity and vitality were being destroyed by powerful architects and city planners. Rigorous, sane, and delightfully epigrammatic, Jacobs's small masterpiece is a blueprint for the humanistic management of cities. It is sensible, knowledgeable, readable, indispensable. The author has written a new foreword for this Modern Library edition.

Updated to reflect the latest research evidence, the third edition of Effective Teamwork provides business managers with the necessary guidance and tools to build and maintain effective teamwork strategies. A new edition of a bestselling book on teamwork from an acknowledged leader in the field Offers a unique integration of rigorous research with practical guidance to develop effective leadership teams Features new chapters on virtual teams and top management teams, plus contemporary themes of ethics and values Utilizes research based on positive psychology techniques

An updated edition of the award-winning analysis of the role of race in the classroom features a new author introduction and framing essays by Herbert Kohl and Charles Payne, in an account that shares ideas about how teachers can function as "cultural transmitters" in contemporary schools and communicate more effectively to overcome race-related academic challenges. Original.

Advanced Construction Technology offers a comprehensive, practical, illustrative guide to many aspects of construction practice used for industrial and commercial buildings.

CMH Publication 70-30. Edited by Frank N. Schubert and Theresa L. Kraus. Discusses the United States Army's role in the Persian Gulf War from August 1990 to February 1991. Shows the various strands that came together to produce the army of the 1990s and how that army in turn performed under fire and in the glare of world attention. Retains a sense of immediacy in its approach. Contains maps which were carefully researched and compiled as original documents in their own right. Includes an index.
