I would just like to mention that this video is grossly outdated, and there are a few reasons why this video will never be updated.1. I no longer have a crac...

How to update cracked Skyrim to 1.9 (Update 13) - YouTube

Just unpack it into Skyrim\Data folder, start the Launcher, click "Data Files" and set the load order as described at the Unofficial Patch page at Skyrim Nexus. It's super-easy. I advice against this. Installing manually might be easy with these particular mods, but your game will not alert you to any updates or hotfixes like managers do. Using Nexus Mod Manager (NMM) or Mod Organizer (MO) is always a better choice than manual installation.

how do i install the unofficial patch? :: The Elder ...

*DISCLAIMER*Modding your skyrim like this can break your game and require you to re-install your game. Please backup your game files before you do this. Also...
